Burglars Ransack Long Lake Fire House

Rescue Equipment Worth \$2000 Stolen; Other Pontoon Thefts

Burglars, who hauled off equipment worth nearly \$2000 Monday night, virtually put the Long Lake volunteer fire department's rescue squad "out of business."

Fire Chief Jack Harper said the special rescue equipment and other items had been purchased over the years with funds raised through fish fries and picnics.

"We haven't had a picnic for several years, but I guess we'll have to start over again. It's sad when you think of all the hard work that went into acquiring that equipment, and in one night—it's gone," the chief added.

In addition to stealing two outboard motors for the rescue squad's boats, the burglars carted off two boxes of tools worth \$200 to \$300, including such items as removing tight rings from fingers and special wrenches.

Other items taken were a gasoline-motored chain saw, an electric engraving tool used to mark the department's equipment, an electric drill, a set of walkie-talkies, a battery charger, the station's television set and two cases of shotgun shells.

Using the department's bolt cutters, which they carried away, the burglars cut locks off file cabinets and ransacked

Venice Teacher Negotiations Will Resume

Venice American Federation of Teachers Local 963 is expected to resume negotiations with representatives of the Venice school board early next month in preparation for a new two-year contract. The previous contract expired June 30.

Fred Duré, chairman of the Venice school board's personnel committee, said that contract talks were not scheduled to begin until the start of the 1970-71 school term in late August, Duré advised the board.

However, a recent letter to the union's negotiating team suggested, new talks were not scheduled to begin until the start of the 1970-71 school term in late August, Duré advised the board.

A specific date to meet with the union's negotiating team was not determined at Monday night's board meeting.

Although details proposed in the new contract were not discussed, it was learned that salary increases sought by Local 963 and counter-proposals offered by the Venice school board still were "some distance apart" at the last negotiating session.

2-Year Pact For Cooks

Duré announced that the negotiations with Local 96, Building Services Employees, have been completed. Formal

Mayor To Veto Sections Of Budget

\$3,198,019 Figure Exceeds City Income, Partney Points Out

Granite City council members approved a \$3,198,019 budget for 1970-71 city operations Monday night, but several items or even sections of the budget may be vetoed by Mayor Partney.

The mayor stressed the budget exceeds the estimated \$2,800,000 income for the city during the current fiscal year, which began May 1, and added, "passing this budget, is a big, big mistake."

Determined council members proceeded with nods of approval for the various sections of the budget as read by Alderman Paul Schuler, chairman of the Finance committee.

The mayor interrupted frequently to protest various items or amounts. At the end, before the approving vote was taken, Mayor Partney said he was calling for \$1000 to be added to the budget to cover the annual summer work program of the Neighborhood Youth Corps.

Items Not Specified

While the mayor did not specify items he plans to veto, there were indications during Monday night's budget session.

This was evident to the overflow audience in the council room. Most of the 95 spectators were unpaid city employees, their wives and children.

One man sitting on a window sill at the rear of the room, squirmed and the draperies and bracket came down. This happened when the meeting was only 15 minutes old, and the draperies hung down for remainder of the session.

The matter of last week's payless payday did not come up during the council session. A hearing on a mandamus suit filed by unions representing city employees scheduled for 1:30 p.m. today in Edwardsville.

The audience remained quiet throughout the three-hour meeting, although one sign was held up as the council session opened. It read—"Partney's Poverty Program for City Employees."

Protests Lateness

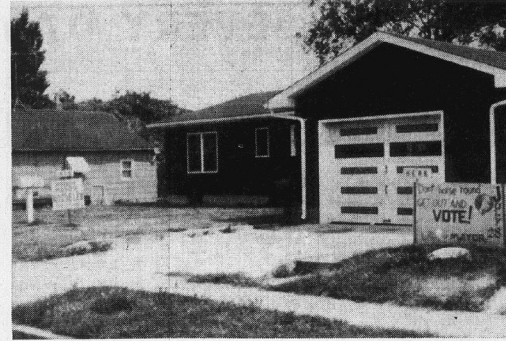

Immediate protest to the council's budget was made by the leg. He was transferred to Children's Hospital, St. Louis; Madison police said the car was driven by Nancy G. Edwards, 2680 Iowa street, who told them she had slowed to park where she had the boy dash into the street from between parked cars. She said she stopped the car and the child ran into the right side of the car at the front bumper.

Two persons were injured.

A HOUSE DIVIDED over the Madison mayoralty election campaign is the home of Mr. and Mrs. Stanley Gasho, 1812 Market street, where campaign signs for opposing candidates, marked "His" and "Hers," declare the separate preferences of man and wife. The sign marked "His" urges votes for acting Mayor Ray Kozielek. That marked "Hers" favors the election of Mrs. Louise Lewis.

Hearing Due Today on City Payroll Issue

Hearing of a mandamus proceeding in which Granite City employees seek a court order directing Mayor Donald Partney to sign \$55,000 worth of city payroll checks was scheduled to get under way this afternoon before Chief Circuit Judge William Beatty in circuit court at Edwardsville.

The hearing was to begin at 1:30 p.m., following a pre-trial conference with Judge Beatty this morning by Leon Scroggins, representing the mayor, and William Schooley, attorney for six unions which filed the proceedings in behalf of city workers.

The hearing was scheduled by Judge Beatty yesterday morning during a brief session at Edwardsville in which Scroggins filed an answer in Partney's behalf to the original mandamus petition.

The suit was directed against Partney in a complaint filed last Thursday by officials of six unions in which city workers affected by the mayor's refusal to sign city payroll checks are members.

Aldermen in Court

Although several aldermen and union officials appeared at the court session yesterday, none was called as a witness. Partney's answer filed by Scroggins responded to each paragraph of the complaint, including one response in which the mayor said:

"Defendant admits that he has refused to sign certain warrants for the city of Granite City; that the defendant further states that he has publicly indicated that he will not sign future warrants until all employees are paid."

Mayor Partney refused to attend the July 15 city payroll hearing, but he did appear by withholding his signatures from warrants drawn by City Clerk Robert Stalcoff.

Partney said he did not want to appear at the hearing because the city council has refused to pay two women police dispatchers who Partney transferred to the police department last February as an economy move.

Wants Dispatchers Paid

Since mid-March the council has separated the salaries of the two women dispatchers from the regular payroll list and refused payment. Partney warned the council prior to the July 6 council meeting that he intended to hold up the pay of city employees until all payroll vouchers, including those of the two women dispatchers, are approved by the council.

In the July 6 council session, Alderman Charles Moerlein announced that he had approved the rest of the \$55,000 payroll for the 145 employees. Partney said he would not sign the checks.

Partney said he was proceeding along the court to order Partney to sign the checks and the payless payday period was filed the day after salaries were due to be paid on July 15.

Judge Beatty said in yesterday's session that he was scheduling the hearing immediately because of the "urgency of the matter," Judge Beatty is a former city attorney for Granite City, having served former Mayor Leonard Davis.

Partney's Position

Partney said he was presenting his talent portion until Friday will appear in the evening gown segment. Her parents, Mr. and Mrs. George Diak, and brothers and sisters are expected to arrive in Aurora tomorrow.

This afternoon, Ruth Ann Diak will receive official word whether her title-winning performance, as seen by local audiences, may be presented in its entirety at the state pageant.

Her song, "I Love You So," is a duet with her brother, "Henry Sweet Henry," has problematic lyrics, according to some state pageant officials. It was learned.

"We won't know until this afternoon if she can sing the entire lyrics or not," Miss Dunlap said.

Finals Saturday Night

Persons wishing to send messages or flowers to the community representative in the state beauty-talent contest should address the message to Miss Ruth Ann Diak, Miss Granite City, c/o Miss Illinois Pageant, Aurora College, Aurora, Ill.

One of a group of 11 beauties to appear in the swim suit segment Wednesday night, Ruth Ann was wearing a one-piece, white suit, cut on classic lines. Her short, dark brown hair was styled in a high ponytail, and she failed to display any trace of nervousness as she walked smilingly along the high ramp at the West Aurora high school auditorium, where the state beauty-talent contest was taking place through the week.

"The auditorium is absolutely huge and fully air-conditioned," Miss Dunlap said, pointing out the housing accommodation is equally pleasant, unlike previous years when contestants complained of stuffiness and heat in the college dormitories where windows refused to open.

A total of 36 hometown contestants entered in the 1970 Miss Illinois Pageant. One will be selected Saturday night to represent the state in the Miss America Pageant in Atlantic City in September.

Miss Diak is Advancing In 'Miss Illinois' Fete

Miss Granite City looked beautiful and "did very well" last evening in the swimming suit competition of the Miss Illinois Pageant at Aurora, according to her official chapter, Miss Patricia Dunlap, who was her escort.

"Ruth Ann is a little nervous, but then all the girls are quite tense," Miss Dunlap commented, noting "this is a very big week for the contestants and excitement builds up enormously as Saturday's grand finale approaches."

The chapter invited local residents to send letters, flowers or to the city council on June 28. "Most contestants receive a great deal of encouragement from the people back home by such gestures," she explained.

Madison Bans Fees on Sale of City Lands

Illinois Gov. Richard B. Ogilvie will speak on "The Economic Implications of the New St. Louis Regional Airport" at a luncheon sponsored by the Regional Industrial Development Corporation Tuesday, July 28, Howard L. Young, president of RIDC, announced today.

In making the announcement, Young cited a necessity for regional unity within the bi-state area to avoid undue delays in having the directly needed airport become a reality.

"The economic gains to be realized from the new airport, regardless of its location, will benefit the entire region and all its residents," Young said.

The RIDC luncheon will be held in the Mayan Room of the Bel-Air East Motor Hotel, Fourth street and Washington avenue, at noon. The public is invited.

Reservations may be made by calling 725-0300 before noon Monday. The luncheon is \$5 per person.

RIDC is a not-for-profit civic group organized to stimulate the total economic base of an eight-county bi-state region. It serves in Missouri, Franklin, Jefferson, St. Charles and St. Louis counties and the city of St. Louis, and in Illinois, Madison, Monroe and St. Clair counties.

Others stood where space permitted, but a number of spectators had to remain in a corridor outside the room, located on the floor of the Madison city hall.

Two-Week Probe

Fifth Ward Alderman John Haynes noted that at the July 7 council meeting Acting Mayor Raymond Kozielek had asked the Public Grounds and Buildings committee and its subcommittee, Gerald Moss and Leo Abel, to investigate property fee charges. The council subsequently added all aldermen.

With Fourth Ward Alderman Mike Sikora, committee chairman, away on vacation, Haynes was chosen as chairman of the investigating group, which met Monday night at 8 p.m. in a special session taking place Monday night.

"In my estimation, the investigation has political overtones and is bigger than the mayor election," Haynes remarked. "But the findings that people thought they would find were there."

Asked to report for the committee, City Attorney Nick Vasiloff said, "Abel and Moss met with officers of the city three times. During the second meeting, Mike Dunlap, Moss's attorney, was present."

"Andy Gitchoff, real estate agent with offices in Granite City, who received several checks from the city of Madison related to finder's fees or real estate commissions on real estate transactions involving lease or sale of city property, was personally invited to the second and third meetings by City Clerk John Bellchiff. He did not attend."

"John Sobel, who is a Granite City realtor, also was invited to attend but did not," Vasiloff told the council.

"The legal men present feel some research should be done as to the application of the law. Several attempts were made to talk to the proposed cleanup campaign at a meeting of the Pontoon beach after trustees Monday evening, after questions had been raised by area residents concerning reports that lake pollution caused the death of six ducks which nested in the lake region."

Preliminary reports indicate the ducks died from natural causes, as opposed to chemicals or other pollutants in the lake water, Stalcoff said. He noted that a complete report is expected from Officer Dennis Hastings of the Illinois Department of Conservation who made a trip along the lake last week.

Will Use Realtor to Reclaim Funds; Oaths By Officials Ordered

Reacting strongly to mounting evidence that it has been spending thousands of dollars on property sale and lease fees without public or council knowledge, the Madison city government moved Tuesday night to halt the practice.

Three principal steps were taken:

1. Upon opening an \$18,500 bid from the Swift Chemical Co. for 214335-foot site in the city-owned Stephen Maestas Industrial Park, council members tabled it until the Aug. 4 meeting and then voted immediately to bar payment of any "finder's fee or real estate commission" on the proposed or actual sale.

2. After hearing the findings of a special investigating committee created two weeks ago, the council voted to sue to seek recovery of over \$10,000 in commissions and expense reimbursements allegedly paid by the city this year to Andrew Gitchoff, operator of a local real estate agency.

3. The aldermen also voted to have an ordinance prepared setting up an affidavit procedure under which officials will have to swear they are not receiving personal benefit or fees on city transactions. It will cover municipal matters involving \$1000 or more.

With only a few days remaining before the special mayor election in Madison next Tuesday, July 28, the small public sessions capacity in the plushly decorated council room was filled.

Others stood where space permitted, but a number of spectators had to remain in a corridor outside the room, located on the floor of the Madison city hall.

Nameoki Initiative to Ease Drainage Woes Is Discussed

A special meeting of Nameoki township officials and representatives of a citizens committee failed Monday evening in its primary objective—to initiate a program to alleviate drainage problems in the township through cooperative action of the town board and the township highway department.

Agreement to hold Monday's session was reached during a lengthy meeting of township electors, called by Highway Commissioner Charles Hanks, one week earlier.

This week's special session was scheduled as a prelude to a second general meeting of electors to discuss overall drainage problems and explore a recommendation that funds appropriated for the highway department be utilized for this purpose.

Nameoki Town Clerk Louis E. Whitsell said that neither Hanks nor Nick Vasilief, highway department attorney, were able to attend Monday night's meeting. The latter's absence was due to a conflict in meeting dates, the town clerk explained. A second meeting has been scheduled for 8 p.m. Monday, Aug. 3.

Citizens Participate

Those present included Supervisor Harry Briggs, Auditor Kenneth Gieson and Whitsell, representing the town board, and Tom Noeth, Michael Ropac, William Nichols and Kenneth Sailer, members of the citizen committee.

Whitsell said he believes "some of our major drainage problems are dug to minor difficulties" that could be corrected by the township highway department.

While saying that responsibility for rectifying poor drainage conditions "may lie with the state, railroads or levee district," the clerk suggested that the township take the initiative.

He cited an example of "the only existing outlet for Long Lake, under the Alton and Southern Railroad track, and Highway 102, where the culverts are not only inadequate, but are continually clogged with debris."

Responsibility for correcting the situation, consistently is denied by the levee district, railroad, the township and state highway officials, Whitsell noted.

Ropac said the township would be justified in replacing the inadequate culvert from Long Lake to prevent flooding of Division street in the Pon-toon Beach area.

Nichols, a Broad road area resident, pointed out that Horseshoe Lake currently is 18 inches above normal level. He said the condition is brought about by excessive pumping into the lake, and by poor management of the outflow water outlet.

Noeth, chairman of the citizen group, gave a brief explanation related to establishment of a drainage district and described how drainage problems might be relieved through drilling deep wells into porous structures of the earth, in similar fashion to oil well development.

Noeth commented that through personal experience, he believes this method could be used to solve drainage problems in several areas of the township.

Supervisor Briggs agreed to contact the Illinois Division of Waterways and request that a representative meet with the citizen group at a future date.

Mr. and Mrs. Harold Robinson, 2724 West 20th street, entertained friends and relatives in their home Sunday with a combination birthday party for their son, Michael, who was four years old and a welcome home party for Mrs. Robinson's brother, Sgt. Robert Douglas Jr., who was discharged from the Army upon his arrival home from an 18-month assignment in Vietnam.

Douglas is the son of Robert Douglas Sr., 3712 Pontoon road and the late Ellen Douglas. Michael received many gifts and a dessert luncheon was served including a large cake decorated in a birthday theme in colors of blue and yellow. A social hour was held, with games and reminiscing during the reunion with Douglas.

Guests were Mr. and Mrs. Eugene Hunziker and Mrs. Gene and Billy, Mr. and Mrs. Carl Hunziker, great-grandmother of the birthday honoree, and Mrs. Mary Goss, Mrs. Phyllis Thomson and daughter, Dawn, Robert Douglas Sr., Mr. and Mrs. Norman Robinson and daughters, Kim and Julie, Miss Paula Sue Lewis, Mr. and Mrs. Robinson and daughters, Maxine and Connie and Misses Lynette, Venessa and Rhana Cook.

MRS. JONES HOSTESS TO PHEBEAN CLASS

The Phebean Bible class of Calvary Baptist Church met Tuesday afternoon in the home of Mrs. Viola Jones, 4805 Warruck avenue, for its July session. The meeting opened with singing of "Blessed Assurance."

Mrs. Eunice Taylor led opening prayer and the monthly devotional, "The Great White Throne Judgement," was given by Mrs. Jones. Mrs. Beatrice Henry read a poem, "Just for Me," in conjunction with the devotional.

The class president, Mrs. Mae Williams, presided and reports were given by the officers. Roll call was answered with Scripture verses and the teacher, Mrs. Stella Rushing, recited a poem.

The members discussed their twice-a-month visitation to the homes of the aged and shut-ins for prayer meetings and songs.

Following adjournment, Mrs. Jones served refreshments to those mentioned and Mrs. Della Hubbs and Mrs. Mary Youngblood. The next scheduled meeting is Aug. 18 in the home of Mrs. Youngblood, 3000 Myrtle avenue. Mrs. Rushing gave closing prayer.

Other guests included the maternal grandparents, Mr. and Mrs. Clay Houghland of Madison, and the paternal grandparents, Mr. and Mrs. Tony Mangiaracino of Venice.

Also present were Mr. and Mrs. Ed Brown and daughter, Cyndi, of Venice, Mr. and Mrs. Jim Malherbe and children, Diane, Billy, Bobby, Darrell, Johnny, Julie and Marilyn, Mr. and Mrs. Ed Campbell and daughter, Mrs. Jim Ebersold and daughters, Kim and Kristie.

JOE CORPUS TRAINER

Miss Gloria Jean Bennett, daughter of Mr. and Mrs. Norman Bennett, 2625 S. Main street, is presently enrolled in the Joe Corpus Center for Women located in Guthrie, Okla. She is a June 1969 graduate of Granite City high school, and is training for the position of file clerk, learning various office skills. She arrived at the center this month and will receive six months of training.

The Bennetts' other daughter, Miss Claudia Bennett, is attending nurses' aid classes at the Lincoln Technical Training Center in Venice.

LOCAL UNITS ATTEND HOMEMAKERS CAMP

The annual Homemakers Extension Association units from counties throughout the state was held Monday at the 4-H girls' camp at Lake Jacksonville.

Members of the South-west District attending were Mrs. Thekla Ruppel and Mrs. Martin Love of the Isabel Bevier unit, with a guest, Mrs. Leo Kozuszek; and the following members of the Granite City unit—Mesdames Ann Pare, Alex Lapinski, Michael Zickovich, Arthur Johannigmeier, Rufus Ramsey, William Piel, Virgil Travis, Arthur Ringering, John Mangiaracino, Herbert Tempel and George Johannigmeier. They traveled to the camp by private cars.

Registration was held and, at a coffee hour, refreshments were served. Demonstrations including "bread flowers," pinecone art, ribbon "mums" and "quilt as you go" were presented during the morning session.

The luncheon speaker was a representative of the American Handicraft Association of St. Louis. The "art of antiquing statues and plaques" was shown.

Mrs. Ann Pare of the Granite City unit demonstrated the making of bags from plastic bottles. Other crafts shown were bottle caps, greeting cards and "ideas for burial." Activities for the day in addition to the demonstrations were swimming, hiking and relaxation. Dinner was served in the camp dining hall, and the after-dinner speaker was Jan Spears, who presented a program on "Do It Yourself With Wool."

The camp staff conducted a flag lowering ceremony and the women from Jersey county led the closing song. The Granite City unit will meet at Mrs. Pare's home July 26 at 9 a.m. for a unit craft day to continue its work on craft bags.

GC DeMolay Officers Attend Leaders Camp 3 Days Remain For County Fair

Paul Boyer, senior counselor, and Bruce Hawkins, junior counselor of the James Stuart Chapter Order of DeMolay just returned from a week at the 1970 Midwestern International DeMolay Leadership camp held at Camp Trout on Lake Sunnen, Potosi, Mo.

The camp was one of six held throughout the United States this summer and was attended by 174 boys from 16 states. Leadership camps are designed to train DeMolays in chapter procedures and operation. They include lectures, panel discussions and sports.

Activities in various sporting events were held and entertainment was held nightly with one evening set aside for talent night. The camp was divided into seven chapters for competition.

Boyer, son of Mr. and Mrs. John R. Boyer of 3437 Lydia lane, was on a swimming team which placed third in the medley relay. Hawkins, whose parents, Mr. and Mrs. Raymond Penn reside at 2325 Miracle avenue, was captain of a volleyball team that placed second. He was on a softball team that won a third place. His chapter also placed first in canoeing. All DeMolays were awarded certificates of completion for leadership training.

Remodeling of Lincoln Center Being Studied

The Venice board of education Monday night authorized the architectural firm of Henry Gabriel and Sylvester Dulgeroff to make an inspection and prepare recommendations for remodeling work at the Venice-Lincoln Technical Center, who estimated the Life Safety Code survey will cost the district between \$3200 and \$3500.

Elmer Taylor, building committee chairman, said a preliminary inspection of the adult vocational center recently was made by a representative of the Granite City architectural firm, who estimated the Life Safety Code survey will cost the district between \$3200 and \$3500.

Noting that a precise figure could not be given, Taylor said the fee was in line with cost projections of ten cents per square foot, cited by two St. Louis firms he recently contacted.

A contract for preliminary renovation work at the Venice-Lincoln Technical Center has been awarded to the firm of M. H. Wolfe & Co. on a low bid of \$3062. The only other bid submitted was for \$8960 by the Leo Wolf Co.

Burglar Alarm

Additional equipment for a burglar alarm system at the technical center was approved, with board members placing a \$400 ceiling on new expenditures for the alarm network.

To comply with state auditing requirements, the sum of \$23,571 was transferred from the Venice-Lincoln fund to the district's working cash fund and returned to the original fund. Also transferred to the fund was \$5000 from working cash to the education fund.

Assistant Supt. Robert N. Vickers announced that \$10,815 has been received by the Venice district under Public Law 874, federally impacted school district aid bill. The district is hopeful of receiving a total of \$36,000 if payments are made at a \$1005 basis.

Discussed by board members was installation of shower curtains in the girls' gymnasium restroom area.

Requisitions totaling \$7000 presented by Vickers also were approved, including purchases of library books for the high school and grade school buildings; costing \$128 and \$200, respectively; \$1017 for shop equipment; \$915 for an A. B. Dick copying machine; \$318 for a printing calculator and mimeoscope and \$212 to replace desk tops in a study hall.

Kluge, Howlett Speak On Overseas Journeys

Madison Rotarians yesterday heard two travel reports. Harry Kluge, retired Madison county chief highway engineer, reviewed his visit to Expo '70, including tours of Japan, Thailand and Hong Kong, and Rev. Stanley Howlett discussed his newly-completed around-the-world journey.

Rev. Howlett, a member of the club, played a recording he had made during a Tel Aviv, Israel, Rotary dinner. Vice-President J. W. Starkey presided yesterday and Frank Wiljan introduced the speakers. Next week's speaker will be Rotom District Governor Lamont Hieldinger of Edwardsville.

MORE ABOUT Mayor to Veto

Schuler advised them of the page numbers after the first few protests.

The first objection to a budget figure raised by Mayor Partney was \$125 for water for the fire stations. "The bill last year totaled \$362," he added. Robertson replied the \$10,000 for contingencies would cover it.

Salary Questioned
Partney questioned the \$608 salary listed for the mayor's secretary, pointing out it was the same as last year. Robertson replied that \$500 was included elsewhere in the budget to cover increases for all city hall workers, whose wages have not yet been set.

Partney pointed out that \$500 would not be enough if the council granted the same \$500 increase it did for other workers. Robertson answered that any difference could be covered by the contingency funds.

The mayor also questioned the \$12,800 for salaries of two clerks in the treasurer's office, saying the increases show would amount to \$2, for the clerks now paid \$422.50 a month. Moerren, chairman of the Finance committee, said the added amount was not for increases but rather for any extra help since the controller's office has been abolished this year.

Attorney Pay Debate
The next item debated was the city attorney's salary, cut from \$12,500 to \$8,000. Rutledge protested that \$3,000 already had been paid the city attorney over the old salary carried over into the new fiscal year. "That leaves just \$500 for the remaining nine months, and no attorney will work for that," he added.

Schuler said that two years ago the salary was \$8,000, and Boker answered, "We're kidding ourselves. You'll be paying attorney fees out of your own pocket. With the present problems, the council hires an attorney and the mayor hires an attorney. Be realistic."

Partney also commented, "You better have an attorney in mind who will work for \$500 for nine months."

Whitmer questioned the \$600 salary. "Does the Finance committee feel it can get a full-time attorney with \$600?" he asked. Robertson answered, "That's up to the mayor to appoint."

Partney stated, "I can't furnish an attorney with just \$500 pay for nine months. If the Finance committee has such an attorney, I would like for them to bring him out."

Headed that he had set up \$12,500 for a city attorney and \$600 for an assistant in his \$2,500,338 budget submitted to the council last April.

Whitmer remarked he had no objections to the council's cutting the assistant attorney's salary to \$600, but that his vote on the budget hinged on an adequate amount for a much-needed city attorney. The council made no change in the attorney's pay, even though Whitmer pointed out that Scroggins had said last week he would resign under the \$600 annual salary proposal.

No Added Policemen
The mayor also was critical of the council's budget for the police department, pointing out he had included provisions for adding three patrolmen in the budget he had prepared. Partney advised the council the department was greatly undermanned, and that at times during the day only three officers are on duty.

He added that his proposal was for women dispatchers to work all shifts at the police desk. "With the three added patrolmen, this would put seven more policemen on the streets," he added.

Alderman Boker stressed that the council should use foresight in preparing a budget. "You can't just forget the need for policemen. Alderman Partney remarked that the city council could levy an added tax for police protection. This could be done without referendum, boosting the city tax rate five cents per \$100 assessed valuation."

Can Alter Budget
Alderman Basarich said any

discrepancies in the budget can be altered after six months.

Under the inspection department budget, Partney remarked there were no provisions for a secretary or for an auto for the assistant inspector. Robertson replied arrangements are being made for a car, and that there was not enough work for a secretary in the office. "That job can be handled by another secretary in the city hall," he added.

Another point brought out by Mayor Partney on the council's budget was his belief that the \$133,540 for maintenance of sewers would not cover the cost of repairs to current sewer breaks. He had set up \$227,350 in his budget, while last year \$800,000 was budgeted.

No mention was made Monday night of the council's budget of \$15,000 for engineering services. The mayor had deleted the item entirely from his budget.

The new budget does contain \$7,500 for purchase of a new pumper truck for the fire department. Alderman D. A. W. e's urged that specifications be prepared immediately. "It takes a year to get a fire truck built," he pointed out.

Council members approved their \$138,019 budget by a vote of 11-0-4 on suspension of rules. Voting for it were Nann, Basarich, Dallas, Moerren, Partney, Robertson, Poulos, Green, Dawes, Morien and Schuler. Opposed were Rutledge, Whitmer and Jarrett. Boker was out of the room when the vote was taken, and Alderman Boyd, who is on vacation, was absent.

PRAYER LUNCHEON

The Mission Prayer Group of First Baptist Church met Tuesday with the hostess, Mrs. William Hudson, 2140 Grand avenue.

Mrs. Pauline Harp was in charge. She read names of missionaries and led prayer for them. The ladies signed and sent four "get well" cards to friends and Mrs. Hudson gave the devotional from a study book.

A noon luncheon was served to those named and a guest, Mrs. Sybil Laurence, and Mrs. Iva Olive and Mrs. Velma Christian. Mrs. Harp has invited the group to her home, 2763 Washington avenue, next.

Carla Watkins, 2629 Edison avenue, was hostess for the Tuesday evening meeting of the Intermediate Girls Auxiliary of Third Baptist Church. The counselor, Mrs. Peggy Short, was unable to attend and her sister, Mrs. Judy French, served as acting counselor.

Janet Gauen, vice-president, led opening prayer. The girls read names of missionaries having birthdays.

Brenda Wilder gave the program, "Life for New Missions," and plans were discussed for a trip to the Children's Home in St. Louis Aug. 29, when the GA's will take one of the girls on a shopping spree.

The next meeting will be Aug. 4 at the home of Colleen and

Cherie Fitzgerald, 3263 Westchester drive. Refreshments were served and the planned and Diane Greer and Karen Smith.

THORNGATE GARDEN CLUB ENTERTAINS PATIENTS

The Thorngate Garden club entertained 45 patients at Alton State Hospital Tuesday as part of their year-around charity project at the hospital. Games were played and prizes were awarded.

The patients were presented gifts of candy and washcloths wrapped around bars of soap to resemble flowers.

Additional gifts of purses and jewelry were given to the women, and the men received billboards, combs, ties and writing pads.

Punch and cookies were served and a social afternoon was enjoyed. Club members and guests taking part from here were the president, Mrs. Wanda Kincaid, the chairman of the hospital project, Mrs. Lillian Delps, and Mesdames Mary Markham, Jean Bethel, End Bohlen, Jane White, Jackie Hachethal and Marge McQuade.

Next regular meeting of the club will be Sept. 8 at the home of Mrs. Elizabeth Lavelle, Route Two.

SLENDERETTES MEET

Future Slenderettes met Tuesday night at the East Side leave office. Miss Helen Wilson and Mrs. Christine Erspamer were in charge of weighing.

Miss Kathy Brave was presented the queen's pin as the new "queen of the week." She also received a basket of fruit

and a prize. A social hour was enjoyed. Others present were Mesdames Beverly Drennan, Joan Melzer, Villa Ridings and Peggy McGehee.

BIRTHDAY DINNER

Mrs. Opal Leibold, 900 Bend road, celebrated her birthday Tuesday evening with a dinner in her home.

Besides her husband and son, Alvin "Bud" Leibold and Alvin Jr., the guests were Mr. and Mrs. William Franklin and Miss Harriet Leibold. Alvin Leibold Jr. had returned home Tuesday to reside with his parents; he had been living in Granite City.

Ira Wall of Doniphan, Mo., is visiting in this area with his children, Mrs. Glen (Vergie) Lowe, Virgil Wall, Mrs. Catherine Lowe, Mrs. Jennings (Vada) Stogdill and Mrs. Orville (Vern) Smith. The latter had been visiting in Doniphan and Wall returned here with her.

Olympic-Style Rituals To Open Games Tonight

A "Parade of Playgrounds" and lighting of a facsimile of the Olympic flame will precede the opening of the ninth annual "Junior Olympic Games" at 7:30 p.m. today at Diamond No. 8 in Wilson Park.

The public is invited to view the ceremonies and contests.

Other traditional events, leading up to the start of competition, will feature a fanfare of trumpets played by members of the Granite City high school band, a formal welcome from park district officials and raising of the Olympic flag by representatives of Boy Scout Troop 22.

The arrival at the baseball diamond of Miles Allen, high point scorer on the Granite City high school track team and bearer of the Olympic torch, will be followed by lighting of the sacred flame in a special Olympic-style pedestal bowl and formal proclamation that the "games now open."

Miss Hightower to Sing
Miss Debbie Hightower, a recent contestant in the Miss Granite City pageant, will sing the National Anthem and hundreds of colored balloons will then be released in the area of the ceremonies.

Officials of the Granite City park district expected to take part in tonight's pre-game program include Henry Gabriel, board president, and Commissioners Milton Worthen, Barry Loman, Paul Thompson and Clarence Baumeier.

The program will be under the direction and supervision of Mrs. Helen Bjorkman, park district summer recreation supervisor, and Harold Brown, parks and recreation superintendent.

Junior Olympic participants will be youngsters aged seven through 12 years, enrolled in the district's summer recreational program. Competition for boys

and girls is divided into various age divisions.

11 Groups to Compete

Children from the park district's 11 playground centers who have taken part in pre-games elimination contests within the past week at the individual centers will represent the Namekiki, Salvation Army, Niderhous, Logan, Wilson, Marshall, Webster, Lincoln Place, community center, McKinley, Washington and Parkway centers.

Top officials conducting the games will include Leon "Russ" Chappell, announcer of events; Stan Wojcik and Don Deterding, official scorers; and Andy Sullivan and Bill Albers, awards officials. Official starter will be Pete Robinson.

Judges will include Harry Lane and Conrad Champion, first place; Dick Huff and Don Miller, second place; and Tom Wyrostek and John Modica, third place.

Assistant starters will be Larry Williams, Gene Gunderson, Ron Stegemeier and Ron Dillard. Jim Greenwald and Gary Willis will be tape holders and Carol Schmidt and Linda Kratz will act as runners.

Other judges and officials will be Tom Pigada, Susan Doty, Brad Cross, Sandra Biazon, Harry Price and Nancy Polson.

Ducks, Obstacles, Jumps
Boys and girls in grades one and two will compete in three events, including the 25-yard dash, three-jump and 25-yard sack race.

Grade three youngsters will take part in 25-yard dash, three jump and 30-yard sack race; grade four—30-yard dash, three jump, obstacle race and 50-yard shuttle relay; grade five—50-yard dash, three jump, obstacle course race and 60-yard shuttle relay; and grade six—60-yard dash, three jump, obstacle race and 60 yard shuttle relay.

The biggest night at the plate was produced by Don Redford of Jacobsmeyer, who had four hits in as many trips to the plate, including two triples and a double. Gerry Davis had a three-for-three night for W&W.

Mick Shambro and John Jaros led Coachlighters at the plate with two hits each as the team led the game with five runs in the third inning for a 6-0 lead over Mercer.

Ron Scarborough collected three hits and Bill Brown tripled home a run in Clark's victory.

FUTURE HOCKEY PROS? Fourteen youngsters from the Granite City park district's winter ice hockey program, departing on the first leg of a flight to Toronto, Canada, to attend the Tam O'Shanter summer hockey camp for two weeks.

14 GC Boys Learning Ice Hockey In July in Its Heartland--Canada

A group of youthful Granite Cityans whose enthusiasm for ice hockey fails to diminish during the summer months is spending two weeks at the Tam O'Shanter hockey school in Ontario, Canada.

The boys, ranging in age from eight to 12 years, are receiving two weeks of training in basic hockey fundamentals and advanced techniques of the fast-moving sport. All participants in the Granite City park district's junior hockey program.

Those enrolled at the school, located at Agincourt, near Toronto, Canada, are Todd McFarland, Chris Rapoff, John Krekovich, Kent Pineda, Bill Scaturro, Andy and David Rapoff, Joe Juneau, Richard Foy, Danny Taff, Bill Portell, Joe Hassler, Bill Hodge and Tom Gracey.

Accompanied by Dan Reidell and Gerald Hennekes, members of St. Louis ice skating clubs, the local boys traveled to Canada by plane.

The school is located at one of Canada's most luxurious country clubs, which includes a

full size hockey rink, three additional rinks for instruction purposes, dormitory accommodations, two golf courses and swimming facilities.

Among the pro hockey greats who serve as camp instructors are Ron Stewart of the New York Rangers, Pat Quinn of the Toronto Maple Leafs, Bill White of the Los Angeles Kings, Pete Maholovich of the Montreal Voyageurs and Barry Watson of the Rochester Americans.

New Tennis Group to Sponsor Tournaments

The Metro-East Tennis Association, a newly-formed organization designed to promote inter-community tennis programs, will sponsor tournaments for three age groups, starting tomorrow on the courts of Lebanon high school, it was announced this week.

A tournament starting at 1 p.m. Friday for youngsters nine through 14 years is limited to those residing in the Lebanon, Troy, Marine and Highland areas.

Two tournaments for older age levels, scheduled for Saturday and Sunday, are open to players from this area, according to Don Hornberger of Belleville, a former local resident.

Contestants 19 years and older may participate in tournament play Sunday, with matches set to begin at 10 a.m. at the Lebanon courts. A \$1 registration fee is required for adult players.

Midtown scored 10 runs in the third frame to take command, including round trippers by Dick Stanton, who had another in the fifth, and Jack Scarborough. Paul Schuler connected four times, slugging a triple, two doubles and a single.

ASA Softball Finals Here This Weekend

Four teams to represent the Quad-Cities at the Amateur Softball Association slow-pitch state tournament during the weekends of July 31 and Aug. 7 at Decatur will be determined this weekend in the regional double-elimination tourney at Worthen and Wilson Parks.

In the winners bracket semifinals, Coachlight will meet Rozzycki Black at 1 p.m. Saturday, and Clark's Vikings will play Miles Lab at 2 p.m. Saturday, with the winners to play at 7 p.m. Sunday, all at Worthen Park.

Eight teams remain alive in the one-time-losers' bracket. Zips will play Granite City Dodge at 9:30 a.m. and Jacobsmeyer will meet Clark's Hardfacing at 10:30 a.m. Saturday, both at Worthen Park, and Niederhous will play Burger King at 8:30 a.m. Saturday, followed by a game between Mexican Honorary and Falstaff, both at Wilson Park.

Thirteen games remain in the 51-game meet, with 11 set for Worthen Park.

Seago Homers Twice, Hook's Down Jake's In Jr. Poole Action
Bill Seago homered twice as Hook's put together two big innings to down Jacobsmeyer's 13-10 in the Junior Poole Softball League Monday night at Wilson Park.

In other games, Tony & Joe's trounced American Legion 19-12 and Midtown Pharmacy defeated the Quad-City A's 17-9. Hook's scored seven runs in the second inning and six more in the sixth to come from behind. Seago and Wimp Wilson each had three hits. Garnering three safeties for Jacobsmeyer's was John Palchert, including two doubles, Paul Gabriel, including a double, and Walt Volkmar.

Leading the Tony & Joe attack at the plate were Babe Ameling with two triples among four hits and Glen Wolfe with two doubles in four hits. Bill Nicpert topped the Legion at the plate with a double and a single.

Midtown scored 10 runs in the third frame to take command, including round trippers by Dick Stanton, who had another in the fifth, and Jack Scarborough. Paul Schuler connected four times, slugging a triple, two doubles and a single.

Don Haddix topped the Eagles with two for the circuit and a three-bagger and single. Dave Evans contributed three hits, including a homer and a double.

Swim Classes Will Resume on July 29
The third in a series of swimming instruction programs at the Paddlers swim club, 2121 Johnson road, will begin Wednesday, July 29, it was announced today by Jim Harsh, program coordinator.

Two separate classes at 10:30 and 11:15 a.m. will be conducted each Monday, Wednesday and Friday during a three-week period. Harsh said, instruction will be offered to members, at a cost of \$7.50 per pupil, and to non-members for a fee of \$12.50 each.

No age limit is set for participants, who will be divided into three groups—beginners, advanced beginners and intermediates. Registration for the program will be accepted in advance by calling the local pool office at 876-8319.

A sports car should have bucket seats like we do.
A sports car should have a four-speed stick shift like we do.

And, only sports cars worth its stripes should have tonneau bars. And four-wheel independent suspension, like we do.
But unlike most sports cars, we have a rear-mounted air-cooled engine like the Porsche.

We have fuel injection instead of a carburetor like the Alfa Romeo and the Mercedes-Benz.

Of course, your car isn't as fast as a sports car.
But then, it isn't exactly a sports car. It has a comfy rear seat like a sedan. It holds more luggage than almost any sedan.

And, it offers air conditioning.* And a fully automatic transmission.* And by now we think we've made our points.

This car isn't exactly a sedan. And it isn't exactly a sports car.
It's a kind of car.

Mercer Lead at Stake In Inter-City Action

Mercer will host the East Alton Machinists, Bellefonte Sports Goods will visit Maryville and Collinsville will be at home to Highland in Southwest Illinois Inter-City League baseball games Sunday.

The schedule is the same as that of last Sunday when all action was rained out. The date this Sunday became open as the St. Louis county league was canceled.

Mercer and Collinsville are

tied for first place with eight-and-four records, while Bellefonte Sports Goods is moving up with a five-and-six mark. The Machinists are only one game out of first with a seven-and-five rating while Maryville is at six-and-seven and Highland is one-and-nine. Highland's sole victory came in a game against Collinsville.

All games start at 2:30 p.m., with the local game set for the Wilson Park diamond.

Super Sprint Aces in Action at Speedway

Cardinal Nips Jeanne 13-12 in Overtime in Classic League Play

A hit by Dave Pettee in the last of the eighth inning gave Cardinal a 13-12 victory over Jeanne's French Quarters in Classic Softball League action Monday night at Worthen Park.

In other games, the Bricklayers outlasted Hagop's Heroes 8-6 and the Jets blanked the Oddballs 20-0.

Cardinal and Jeanne's ended the seventh frame with an 11-all tie and Jeanne's took the lead on a hit by Bob Yates, who garnered three safeties. Fred Jones and Woody Moad scored on the fifth hit of the game by Pettee.

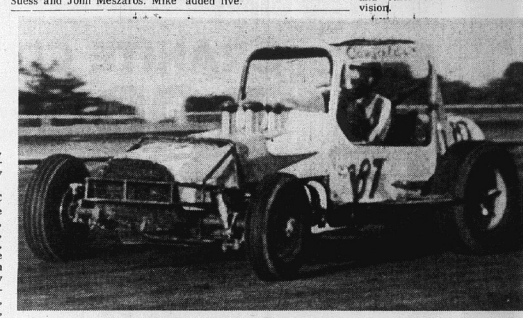

The Bricklayers assured their game in the third frame with five runs on six hits, including Larry Pirle had six of the hits, including a home run and a triple, while Jerry Penrod added five.

Super sprint car races of CRA will start at 7:30 p.m., and the first race is set for 8:30 p.m.

Utz, of Sedalia, Mo., is the point leader at the local track with 1530 to his credit. Spalding of Granite City is second with 1210 points, Sutcliffe is third with 1150 and Jimmy Moughan of Springfield, Ill., is fourth with 970.

Bill "George" Cresson of Troy, Mo., injured last week at the local speedway, remains in the Jewish Hospital with two broken arms and other injuries.

The hobby car division of CRA will present a double-O feature event in this week's program. Bobbie Stanton of Alton, last week's hobby feature winner, will be back, along with Clyde Linderman, Louie Jensen, Don Carter, Art Lynch and other drivers in the division.

SUPER SPRINT CAR with David Camfield of Argenta, Ill., at the wheel set for action in Friday's races at the Tri-City Speedway. His brother, Jerry Camfield, also will compete.

HOME AFTER STAY AT INDIAN RESERVATIONS
Mr. and Mrs. Harry Johnson, 1538 Third street, returned to their home Monday after spending a month at three Indian reservations at Ashland, Wis., as Methodist missionaries.

Mrs. Johnson, a retired Madison school teacher, taught in the Bible school on the reservations while Johnson took a religious census there.

An Indian guide took Johnson around the reservations while he conducted the census. Mrs. Johnson worked with Miss Grace Estel, a Methodist missionary on the reservations.

Slides were shown to junior high summer school classes there on Asia and the Holy Land; the Johnsons had taken the photographs on a previous tour.

Slides were taken of the work on the reservations and will be

Catch Burglary Suspect in Chase

Gerald M. Gibson, 25, who told police he has no home address, was arrested on a two-year-old burglary charge Monday afternoon after a chase by three off-duty Madison and police officers in which two shots were fired.

Gibson, who had been sought by Granite City police as a suspect in the burglary of the Elledge Motor Co. in March 1968, was captured at gunpoint at the rear of Brady's Trucking lot near Second and Market streets in Venice.

He was turned over to Granite City police. Bond was set at \$500, and Gibson was transferred to the county jail pending grand jury action.

Madison Police Officer Thomas Voloski reported that he was at Hlava's garage at Second and Market when he saw Gibson crossing the street, walking toward the garage. Voloski said he was not certain of Gibson's identity, but he knew that Gibson was sought by Granite City police. Madison Officer Richard Krieschok and Venice Patrolman Joseph Meehan, also, were at the garage. All were off duty.

Suspect Flees Police
Voloski said he stopped the man and asked him his name. The man said his name was Williams. Voloski reported. The officer then asked the man for identification. Gibson pulled out a wallet, but then began running across Madison avenue.

Voloski gave chase and was followed by the other two officers.

Voloski shouted a warning, then fired a shot into the air as Gibson continued running. At Madison avenue and Market street, Voloski slipped on loose gravel and fell, cutting his right arm and left hand.

Meehan continued the chase as Voloski recovered from the fall. Gibson began climbing a fence at the rear of the trucking lot and Voloski, after warning the man to stop, fired another shot into the air. Meehan, however, came around the fence and stopped Gibson at gunpoint.

Meehan was treated for the hand and arm injuries at St. Elizabeth Hospital.

MORE ABOUT Burglars

the office, scattering records and papers on the floor. The department's \$50 petty cash fund was stolen from one file drawer, and a soda machine was forced open with \$25 taken from the coin box.

"At least they didn't take any of the equipment off the fire trucks, but they did have some of it on the floor," Chief Harper said. Left behind were the department's portable lights and generators.

"We only have one outboard motor left, and it won't run. We'll have to find one quickly to be ready for an emergency," he added.

The burglary was discovered about 9 a.m. Tuesday by Volunteer Fireman Julius Sobczak, who had gone to the fire house to work on a stripped-down 1946 fire pumper.

He found the station house in a shambles and discovered a pane of glass in the rear door had been broken to gain entrance.

Firemen searched the area but were unable to find any of the equipment. Investigations are being conducted by the Ponton Beach village police department and the sheriff's office.

John Karlosch, chief of the rescue squad, said the equipment apparently was hauled away in a truck.

Other Ponton Break-Ins
Miscellaneous items valued at several hundred dollars were stolen early Tuesday morning in a burglary at the Starlight Roller Rink in the 3900 block of Lake Drive.

A break-in also was reported at a car wash facility next to the rink, where thieves forced open a chrome dispensing machine, looted a soda machine of an undetermined amount of change and stole a vacuum cleaner.

Both burglaries occurred between midnight and 6 a.m. Tuesday, Ponton Beach police said.

Entry into the roller rink was gained by prying open a rear door. The entire facility was ransacked by the intruders, who scattered papers, tore desk drawers in the office area and forced open four pinball machines, taking between \$75 and \$85 from the coin boxes.

Ray Robertson, the rink owner, reported among the items missing were two adding machines, valued at \$125 and \$175; a corporate seal, \$150; a typewriter, \$200; a stopwatch, \$40; record albums, \$200; a tackle box and assorted plugs, \$50; nine cartons of cigarettes; one set of speed skate bearings; tools; handguns which fire blank cartridges; a 12-gauge shotgun; two boxes of chocolate bars; a stuffed animal, valued at \$17; an electric saw a tool box containing assorted wrenches, pipe cutters, and files; a fishing reel; a saw; a pistol drill; record playing equipment used with a public address system; an amplifier; a camera with flash and filter attachments; a black box filled with various tools; other miscellaneous hand tools used in skate repairs; and a metal box containing books.

Both burglaries occurred between midnight and 6 a.m. Tuesday, Ponton Beach police said.

Andy Gasparovic Retires; 48 Years with GC Steel

Andrew Gasparovic Jr., former city police magistrate for 16 years, has retired as a welder at Granite City Steel Co. after 48 years service with the firm, it was announced yesterday.

Gasparovic, 63, who presently is a deputy state fire marshal, was the second oldest man in plant seniority. He began with the company in the old tin mills in February 1922. He and his wife, Ann, live at 2150 Edison avenue. They have nine children and 16 grandchildren.

He was one of eight employees retiring in recent weeks. Thomas Doyle, 65, annealing department superintendent, had 37 years of continuous service along with two previous periods of service. He and his wife, Zehra, live in Florissant, Mo.

Sandy Watt, 62, a blast furnace coke ovens operator, has retired after more than 22 years service. He and his wife, Marcella, live at 609 Salvator

cares and social security cards. The thieves gained entry at the car wash building by prying open the office entrance door at the rear of the building police said.

Theft at School
Thieves stole 62 feet of copper down spout and seven to 10 copper fittings valued at about \$161 from Niedringhaus school Monday evening, it was reported at 1:30 p.m. Wednesday.

House Burglary
Harry Thompson, 93(r) Niedringhaus avenue, reported at 12:40 a.m. Wednesday that \$80 in bills and an unknown amount of change were stolen from a dresser drawer in a burglary at his home after 2 p.m. Tuesday. Entry was gained by removing a front screen door and climbing through a window.

Burglars entered the home of Mike Skomil, 2546 Grand avenue, by prying a screen of basement window, he reported at 6 a.m. Wednesday. Rooms missing were two adding machines, valued at \$125 and \$175; a corporate seal, \$150; a typewriter, \$200; a stopwatch, \$40; record albums, \$200; a tackle box and assorted plugs, \$50; nine cartons of cigarettes; one set of speed skate bearings; tools; handguns which fire blank cartridges; a 12-gauge shotgun; two boxes of chocolate bars; a stuffed animal, valued at \$17; an electric saw a tool box containing assorted wrenches, pipe cutters, and files; a fishing reel; a saw; a pistol drill; record playing equipment used with a public address system; an amplifier; a camera with flash and filter attachments; a black box filled with various tools; other miscellaneous hand tools used in skate repairs; and a metal box containing books.

An auto owned by James Brawley, 2033 Lindell blvd., reported stolen at 1:30 a.m. Wednesday from Nameoki and Ponton roads, was recovered by Madison county nightriders and towed to a garage.

Paul Ball, 1242 Iowa street, reported at 7:45 a.m. Wednesday that his orange 1963 two-door auto was stolen from the parking lot at Union Division of Miles Laboratories during the night.

John McGee, 2084 East 24th street, reported at 7 a.m. Wednesday that a stereo player and live tapes were stolen from his 1966 auto parked in front of his home. The right wing van was broken to gain entry.

County to Act on New Public Building Board

A proposed resolution to create a Madison county public buildings commission has been distributed to members of the county board of supervisors and is to be submitted for adoption at the next meeting of the board on Aug. 12.

The commission would consider new buildings recommended in a 1965 study by the southwestern Illinois Metropolitan Area Commission, including a new jail, a new administration building, remodeling of the court house as a court building and provisions for parking.

The cost at the time was estimated at \$7 million. It was estimated that a \$5 million bond issue over a 20-year period at six per cent interest would result in a tax rate of 4½ cents. It was pointed out that the county tax rate this fiscal year was cut by about five cents.

The resolution provides for a five-man commission, including three members of the county board of supervisors, and an ex-officio committee of five men to meet with and advise the commissioners.

Promoted in Vietnam
Eddie R. Lane, son of Mr. and Mrs. Edward Lane, 2213 Nevada avenue, has been promoted from private first-class to specialist-four while with Army heavy equipment units in Vietnam. The 1967 Granite City high school graduate worked for Waggoner Excavating before entering the service for two years in March 1969. He has been in Vietnam five months.

Leaves Lot, Hits Auto
An auto driven by Patricia Dutko, 1101 Niedringhaus avenue, pulling out of a parking lot onto Adams street at Niedringhaus avenue, struck the left side of a car driven by William Lowe, 2121 Cleveland blvd., at 5:10 p.m. Wednesday. It was reported to police.

Speeding Ticket Issued
Charles Shewell, Rural Route Two, was issued a speeding ticket at 6:45 a.m. Tuesday as police operated a radar unit at 2800 Madison avenue.

"WHAT IS FINE CHINA???"
"Fine China" is an exacting official standard, used by government and industry to define the finest wares produced from common clay. There are three main types of dinnerware produced from clay.
They are... Pottery, Earthenware and Fine China....
Fine China is the top of the line. It differs radically from pottery and earthenware in that it is made by firing super-refined clays to extremely high temperatures. As a result the clay particles melt and fuse, forming a non-porous ware which is translucent, resonant and durable. When you hold a fine china plate up to the light, you can see the shadows of your fingers through it. When you strike it with a pencil, it will produce a clear, bell-like ring.
We invite you to put Platinum Star-Glow china to these tests. It is truly the finest china.

AN INCREDIBLE VALUE!
Enjoy the rich translucent splendor of fine china and save 50% off open stock prices

In Memoriam

In loving memory of JAMES A. SETTLE.
God alone knows how much we miss him. In a home that is lonesome today.

Sadly missed by—
WIFE, SON,
DAUGHTER-IN-LAW,
GRANDCHILDREN, SISTERS

In sad, but loving memory of our dear mother, ETHEL M. FRY, who passed away July 24, 1967.
Times moves on, three years have passed,
Since death is gloom, its shadows cast.
Within our homes where all seemed bright,
Was taken from us a shining light.

We miss that guiding light and ever will,
Her vacant place, there's none can fill.
We mourn for you but not in vain,
God grant that some day, we will meet again.

Sadly missed by—
DAUGHTERS and SONS
and All Who Knew Her

In loving memory of husband and father JAMES W. EARTHART who departed this life July 24, 1968.
I have lost my life's companion,
A life linked with my own.
And every day I miss him more
As I go through life alone.

We walked many miles together,
And oh! What joy along the way.
He left me so much richer
With the things he had to say.

We had our years of happiness,
We had our sorrows too.
But now the only thing that's left
Are memories of you.

In Memoriam

Oh! If I had known that night when I left you,
And said my last good night,
Ere morning would have gone
You would have taken your heavenly flight.

You tried so hard to make it home,
But Jesus came that morning,
And took you to your heavenly home.
It seems so long since you left us.

It seems so long since you've gone,
We can't believe it's Daddy.
It's two years that you've been gone,
Some day this life will be over.

Some day we know not when,
And then we will be together
Never to part again.
Loved and missed by—
WIFE and CHILDREN

In memory of ROBERT RASH JR. who passed this life July 23, 1970.
You bade no one a last farewell,
You said goodbye to none.
Your loving heart caused us to beat.

Your precious smile was gone,
It's been a year since you have been gone.
But our wonderful memories will linger on.
The you are gone we are not apart.

You will ever live in our hearts.
These memories will never die,
But grow more dear as the year's go by.

We will always remember
The times we had together
Until we meet again in that home forever.

Sadly missed by—

Enriched Summer School Sets Open House Next Week

The 1970 summer school for academically superior students in the Granite City school district will hold an informal open house for parents July 28, they are being advised by Cal L. Bartels, principal.

Classes in the summer school enrichment program, held at Prairie Junior high school, will end July 31.

Instruction is designed to assist intermediate level pupils of all public and parochial schools in "learning for the sake of learning" rather than to specifically gain advanced standing in the regular school program.

Most enthusiasm has been shown by the students last month and this month.

Over 250 youngsters are taking 17 courses, each structured to allow freedom to work in selected areas within the broader subject area.

More than 50 are participating in a foreign language—Spanish, German or Russian—using the conversational approach in teaching; 125 are enrolled in science courses—oceanography, geology, time, nature study and use of scientific equipment.

Latest techniques are being used in art and industrial craft classes; over 30 boys are learning use of small tools and engine repair.

Classes included for the first time this year are speed reading, typing, engine repair and junior music opera.

During the open house, parents of the participants may attend any of the classes for as little as they wish.

Air Conditioning Delay At Hospital Studied

Architectural planning was delayed for a three-year delay in installation of air conditioning in wards at Alton State Hospital during a hearing by a Legislative Commission at Alton yesterday.

A. K. Smith, business administrator at the hospital, told the commission that a design plans were not completed for the building arrangement before Chief Circuit Judge William Beatty at Edwardsville.

A sixth suspect is being sought. The six murder indictments were returned by the Madison County grand jury as a result of the death on June 29 of Gary Kistler, 30, of Pickerton, Ohio, a trucker who was wounded by sniper fire while driving on Interstate 70 near Highland.

Those who have posted bond are Jackson Wolford, 28, and Roy Miller, 28, both of Rural Route One, Granite City; Jerry G. Lambert, 31, of Caseyville; Frank Thomas, 44, of Mitchell, and Willard Cousins, 48, of Collinsville.

The six suspects previously were indicted on charges of attempted murder, but the new indictments were voted by the grand jury after Kistler's death.

Sheriff's deputies said all of the suspects except Miller, who is an independent trucker, are members of Local 600 of St. Louis which was involved in the shooting at the time of the shooting. Deputies said an indictment also will be sought against a seventh man.

Auto Stops, Struck
While stopped for a traffic sign, a car driven by E. Va. F. Wuerz, Collinsville, was struck by an auto driven by Robert L. Swartz, 4607 Mary land manor, as the light turned green at 2:05 p.m. Wednesday at Madison avenue and Nantah road, police reported.

Passes Rail Gate
Myri A. Heuberger, Rural Route One, was ticketed at 1:20 p.m. Wednesday on a charge of disobeying railroad gates at the West Pontoon road crossing.

Lawn Chairs Stolen
John A. Cowley, 36 Harvey place, reported at 7:50 a.m. today that someone took two aluminum lawn chairs valued at \$12 from the back porch of his apartment after 6:30 p.m. Wednesday.

Taken into custody last week were Robert Tidwell, 21, and Leroy E. Tidwell, 23, both of 2715 East 24th street, and Robert W. Cole, 21, of 2913 Cayuga street. Hoffman was released on notice to appear in court at 10 a.m. Monday.

Fourth Man Arrested In Looting of Home

Clarence H. Hoffman, 28, of 3005 West 20th street, was arrested at 2:25 p.m. Wednesday on warrants charging burglary and theft of more than \$150.

He was the fourth person arrested in the looting of furniture and contents of a display home at 1604 Leyden avenue, owned by Metro East Builders, during the weekend of July 11.

Lien Delays Action On Industrial Tract

A \$481 mechanic's lien by Klemm, Inc., a subcontractor in erecting the Diamond Plating Co. plant in the Stephen Maeras Industrial Park, prompted the Granite City council Tuesday night to defer action until Aug. 4 on a lone bid of \$18,500 to buy another plant site.

The industrial park since has been platted but at the time of the bid the two tracts were within the same geographic area for legal description purposes, Corporation Counsel John Gitchco explained.

As a result, Swift Chemical Co. of Chicago and St. Louis, seeking a 214,875-foot site, will need a waiver on the lien before its \$18,500 check could be considered for acceptance. The firm plans to build a plant in the city's industrial park.

In the business, the council moved to correct an inaccurate designation of the Ewing avenue planned for stormwater flooding. One and two for the special major election next Tuesday.

A street light was ordered for the intersection of Ewing avenue and 11th Street. It was voted to pay \$25 as half of the transportation cost of bringing the St. Louis municipal band to entertain in the Venice-Madison area as part of a current Fine Arts Committee series. The city of Venice also has paid \$25.

Permission was given for a parade honoring U.S. Senator Ralph T. Smith to proceed along Madison avenue in Madison Square Park, St. Louis, and follow Broadway, Madison avenue, Nantah road and Fehling road in Wilson Park, where ceremonies are planned.

6 Murder Charges In Truck Shooting

Five persons three of them from the local area, had been released on bonds of \$50,000 under murder indictments following arraignment before Chief Circuit Judge William Beatty at Edwardsville.

BRIDE-TO-BE. Miss Debra Jeanne Harrison. Her engagement to John S. Rutherford has just been announced.

Granite City PRESS-RECORD
Page 18 Thurs., July 23, 1970

WHITTLE BY WHITTLE CLUB GIVES SHOWER

The Whittle by Whittle club met Monday evening for its weekly business session, followed by a cradle shower for Mrs. Phyllis Barton and her new son. The meeting opened with the pledges led by Mrs. Pat Pelo, club leader.

Mrs. Ruth Hubbard gave the treasury report and Mrs. Pelo and Mrs. Rosalie Bronbauer conducted weighing of all members. Members answered roll call by giving their pledges for the coming week. A report of the last meeting was read by Mrs. Jo Gipson.

The club crowned two "queens of the week," Mrs. Bea Knuckles and Mrs. Barton. The exercise of the week chosen was touching toes ten times each day. Mrs. Julie Greer drew a gift from the "wishing well."

A new member, Mrs. Frances Knobloch, was welcomed into the organization. Plans were completed to change the location of the family picnic Sunday, Aug. 2, to Cahokia Mounds State Park. Penalties were met and Mrs. Beulah Krause offered closing prayer.

The shower honoring Mrs. Barton and her son, Michael Jr., followed the meeting. A game led by Mrs. Janice Hildreth was won by Mrs. Gloria Bennett. The gift table was decorated with a shower umbrella and the club presented Mrs. Barton with a corsage.

Cake, gelatin and summer drinks were served to those mentioned and Mesdames Mildred Boyer, Carmen Bridick, Ruth Coad, Stella Fisher, Judy Modrusis, Jolene Myers, Delores Townsend, Betty Young, Evelyn Isaak, Jane Beyer, Diana Ragsdale, Diana Walsh and Peggy Newcomb.

FORMER RESIDENT HERE
Mrs. Mable Hulsey of San City, Ariz., who spent the past fortnight here with her son-in-law and daughter, Mr. and Mrs. Howard Baseden, 2703 Center street, left Wednesday for visits with other relatives in Chicago before returning to her home.

Miss Harrison Is Engaged

Mr. and Mrs. Oren L. Harrison, Rural Route Two, are announcing the engagement of their daughter, Miss Debra Jeanne Harrison and John S. Rutherford, a son of Dr. and Mrs. Robert H. Rutherford of Carlinville, Ill.

The bride-to-be, a graduate of Granite City high school, attended Eastern Illinois University for one year. She is now a student at SIU-SW. Her fiancé, a senior at EIU, is majoring in social science. He also attended Carlinville schools.

Wedding plans have not been made.

Griffin-Wood Wedding

Mr. and Mrs. Harry C. Wood, 2575 Waterman avenue, are announcing the marriage of their daughter, Miss Barbara Ann Wood, to Sgt. Jimmy Wayne Griffin, a son of Mr. and Mrs. James A. Griffin, 3225 Colgate place.

The ceremony took place at 3 p.m. July 18 in the chapel at Scott Air Force Base with Chaplain Capt. John F. Richter officiating before the flower-bedecked altar.

The bride's father gave her in marriage. She wore a gown of white Chantilly lace fashioned by her mother. It had a rounded neckline, a fitted bodice and long pointed sleeves. She carried a nosegay of pink and white Sweetheart rose buds.

Mrs. Gary Barton, matron of honor, wore a gown of pale blue and carried a bouquet of white carnations. Jack Wood, the bride's brother, was best man.

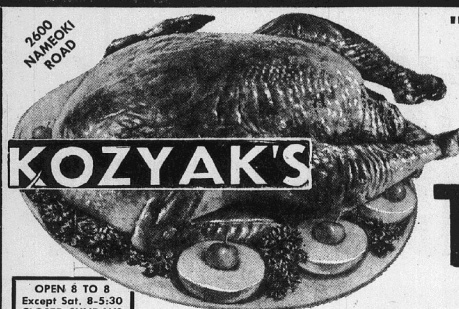

The bride's mother was in light blue and the bridegroom's mother wore navy blue. Their carriages were of white carnations.

The wedding reception was held at Scott AFB with a number of out-of-town guests present.

The former Miss Wood is employed by First Granite City National Bank. Sgt. Griffin is in the U. S. Air Force. The couple is honeymooning in Wisconsin.

MISS MARGORIE JONES, whose engagement to Charles Kirkover, a son of Mr. and Mrs. Herman Kirkover, 3001 Edwardsville road, is announced. The bride-to-be is a daughter of the late Mr. and Mrs. Kit Jones of Charleston, Mo.

Amsted Sales Increase; Net Income Declines

Amsted Industries announced Tuesday its sales were \$73,812,000 in the quarter ended June 30, 1970, up from \$71,677,000 in the same quarter last year. Net income was \$2,543,000, or 92 cents per share, compared to \$2,387,000, or \$1.08 per share, a year ago.

For the nine-month period ended June 30, Amsted had sales of \$205,276,000, up from \$193,740,000 in the same period last year. Net income amounted to \$5,942,000, equal to \$2.14 per share, compared to \$5,867,000, or \$2.48 per share.

In a joint statement, Joseph D. Lanterman, chairman, and G. Smith, president, reported that, "The rise in sales in the June quarter and the nine months was due to the increase in sales of railroad products." The local American Steel Foundries is an Amsted industry and produces railroad items.

The executives also noted that, "The decrease in net income for the June quarter and the nine months is more than accounted for by the increase in steel scrap prices compared with last year, such increases amounting to about 31 cents per share for the quarter just ended

and to 68 cents per share for the nine months. Earnings were also adversely affected by higher interest expense and the impact of the truck strike.

The impact of these unfavorable factors was partially offset by an intensive sign reduction program, which reaches into all areas of operations, Lanterman and Smith pointed out. They also added that it has been possible to raise selling prices for certain product lines.

The Amsted executives said they anticipate that earnings in the last fiscal quarter will exceed those of the quarter ended June 30.

At a directors' meeting held Tuesday in Chicago, a dividend of 80 cents per share was declared payable Sept. 15 to stockholders of record Aug. 20.

MORE ABOUT

Venice Teacher

ratification of a new two-year wage contract for cooks employed by the Venice district is the signature of union officials, he said.

New teachers hired Monday for the 1970-71 school year included three 1970 graduates of Southern Illinois University's Southwestern campus and a former Venice teacher, Mrs. Florence Durrer, who was re-employed to teach remedial reading classes.

William T. Hopkins of Glen Carbon, a 1966 graduate of Edwardsville high school, with a bachelor of science degree in history and government from SIU-SW, will teach social studies and history at Venice high school.

Mrs. Audrey Cross of St. Louis and William R. Jones of East St. Louis also were hired. Both have bachelor degrees in elementary education and will teach primary grades. Jones also has agreed to accept assistant coaching responsibilities. Asst. Supt. Robert Vickers said.

Gilmore Leaving
The resignation of Jack Gilmore, a social studies and history teacher at Venice high school, was accepted by the board.

He is the second Venice high school faculty member to resign this month in order to accept a position in the Collinsville school system.

At a special school board meeting held earlier, Ronald Ganschmirtz, VHS guidance counselor and student council adviser, submitted his resignation. Both he and Gilmore served on the Local 966 negotiating team.

MORE ABOUT Pontoon

ing purposes, told the village officer that at least two sources of pollution were observed during the trip. Both involved property owners discharging sewer waste into the lake. Numerous illegal discharge pipes were reported seen by Hastings along the lake shore.

"We are going to crack down on these people," Staicoff stated. "Notices will be sent advising the property owner to correct this condition within a ten-day period or face a suit in court."

"Unless the village leads the way in eliminating the pollution of Long Lake, we have been told the state will step in and do it for us," he added. "There is definite evidence that dumping is occurring and we are prepared to file suit against the individuals unless they halt the process immediately," Staicoff stressed.

He said several residents of Westgate drive in Lakeview Estates subdivision are adding to the lake pollution problem by discharging water from washing machines into a storm water drainage system which empties into Long Lake.

Staicoff said that trucks donated by area business firms will be used to haul away trash and debris collected in the Aug. 8 clean-up campaign.

Court Action Pending
The village board faces possible court action in another pollution problem, Staicoff advised the trustees. Jim D. Keener, assistant attorney general, recently notified village officials that a suit is to be filed by the state against a construction firm and the village of Pontoon Beach to force corrections to a lagoon system at Gaulting Walk apartment complex.

Staicoff said that Keener advised the trustees to file a counter suit against the firm to compel the developer to correct an unsanitary condition of the lagoon.

In other action Monday night, a zoning committee was appointed, consisting of representatives of business concerns and residents from different locations in the village area.

Members of the committee were Carl Hackney, Larry Maxfield, Don McCasland, Dale Hayden, Louis Whitsett, Ray Robertson and Gerald Warren.

Bakalis Favors Education Board

Dr. Michael J. Bakalis campaigned briefly in the Quad Cities yesterday afternoon during a swing through southwestern Illinois. On the November ballot against State Public Instruction Supt. Ray Page (R), the young Democratic educator stressed the need for creation of a state education board, as in 48 of the 50 states.

Bakalis told the Press-Record that, if elected, he will immediately form state or regional advisory boards to aid him informally and will strive for legislation forming a state board which then would appoint the state superintendent.

Establishment of performance criteria for school districts was urged, along with greater coordination of elementary and secondary schools with institutions of higher learning. "An example of the need for coordination is the law expanding special education services but failing to provide for the education of enough teachers in this field," the candidate said.

Bakalis said he favors substantially increased utilization of school facilities, and added that he intends to make Supt. Page's eight-year record in the office a major topic in his talks with voters.

"In the past year alone, there was the flower fund—employees were required to return to Mr. Page's campaign fund a percentage of what they earned. Then there was the use of crippled children's funds to pay for publicity photos of the superintendent."

There was the spending of \$312 for printing without competitive bidding, a practice illegal in this state. When we spend over \$500 million a year on education in Illinois, it is about time we find out what is going on in the superintendent's office. People deserve answers from Mr. Page."

Legion District Play Nearing Title Game

East St. Louis blanked Collinsville 4-0 last night in American Legion district baseball playoffs to remain alive in the double-elimination tourney.

Edwardsville has survived in the tourney by defeating Dupu 6-3 Tuesday after bowing to Belleville 7-4 Monday.

Belleville and O'Fallon, both unbeaten, meet at 8 p.m. today at Collinsville. East St. Louis will meet the winner of that game at 8 p.m. Friday.

Another game is scheduled Saturday night before the championship is decided Sunday at Belleville. Granite City was eliminated from the tourney last week.

Park Board OK's \$324,638 Levy; Increase of 29%

A new 1970-71 tax levy of \$324,638, an increase of 29% over the 1969-70 extension of \$250,297, was approved by the Granite City park board in regular meeting last night.

The levy is based on a park district budget of \$558,303 for the current fiscal year and will result in a tax rate increase of about two cents in the general fund levy and an increase of about one cent in the recreational fund.

The difference in funds to meet budgeted expenditures will be met by revenue from park operations such as the ice skating rink, the swimming pool and concession sales.

A major part of the tax levy increase is in the general corporate fund which was levied at \$236,786, an increase of \$47,188 over the 1969-70 general levy of \$189,608. The levy for recreational purposes was extended at \$64,742, up \$19,453 over last year's \$45,289.

Auditing New Item
A levy of \$16,000 was approved for the Municipal Retirement Fund, compared to \$11,500 last year. The levy also extends \$600 for tort liability insurance, up from \$400 last year, and an extension of \$100 for auditing, a new item this year.

The overall levy approved by the park board will be increased, however, to \$330,023 through extension of a levy to meet \$55,387 in bond principal and interest payments for the current year. The levy for bond purposes is extended by the county clerk's office and is not a part of the regular park district levy.

Present park district tax rates are 12.15 cents per \$100 assessed valuation for the general fund, and 2.34 cents for the recreational fund.

Rates to Increase
The general fund rate is expected to rise to at least 14 cents and the recreational rate to about three cents. Minor increases also are anticipated to meet increases in the levies for the Municipal Retirement Fund, the insurance fund and the auditing fund.

These estimates are based on current property valuations, however, and are subject to change if assessments drop considerably for the 1970 tax year, on which tax bills will be based for 1971 collections. Assessment exemption programs that became effective this year are certain to change valuations next year.

Park board members also approved a tentative opening date of Oct. 15 for the Wilson Park Ice Skating rink and adopted a new rink operating schedule.

Daily Schedule
The schedule calls for a daily skating session from 7:30 a.m. to 10 p.m. on weekdays Monday through Friday. Hours for Saturday sessions will be 10:30 a.m. to 12:30 p.m.; 1 to 3:30 p.m.; 4 to 6:30 p.m. and 7 to 9:30 p.m.

The Sunday schedule includes four sessions: 1 to 3:30 p.m.; 3:30 to 6 p.m.; 6 to 8:30 p.m. and 8:30 to 11 p.m.

The board also agreed to enter into a yearly maintenance contract with York Refrigeration Co. of St. Louis for upkeep of the ice rink refrigeration equipment. Park officials pointed out that extensive repair work is now under way on the equipment and that the full-time maintenance agreement will become effective when they are completed.

The contract will cost the district \$784 per year. It covers a five-year period but must be renewed annually.

High Scores Feature Girls' Softball Play

Jacobsmeyers downed Royce Stars 22-6. Ravannelli's topped Donna Lee 22-16 and Ashal Insurance slammed Ed Moore Construction 24-1 in the Girls' High School Softball League last night at Wilson Park.

The attack by Jacobsmeyer featured home runs by Kandy Fuller and Debbie Drennan, who added two other hits. Lynette Ward led Royce with four safeties.

Debbie Stein led Ravannelli's with two homers and a single while Barb Mihu connected safely twice as the Donna Lee team was held to four hits.

Collecting four hits in the Moore offense were Jane Cowan, including a home run, and Marie Taylor, while Jane Lambert and Debbie Wallace had home runs. Nancy Smith led Ashal with two hits.

that the city had ratified and confirmed the action and the payment.

"On the other hand, the law says a municipality is governed only through its official aldermanic board and meetings. The city clerk has searched the records and advises that nothing has been found" authorizing property services, Vasilieff said.

"Sale of real estate owned by the city and located on the west side of the Mississippi River adjacent to the Chain of Rocks Bridge was done in 1967 by an ordinance and advertisement for public bids.

"Two bids were received, one from the Reinhardt agency of Granite City and another by Mr. Ethridge. The higher bid was approved. However, payment was not made to the city by Mr. Ethridge until this year, and at that time the payment of a \$400 fee was sent to Andy Gitchoff.

Expenses Reimbursed

"Almost contemporaneously was the payment of \$1980 for expenses allegedly incurred by Andy Gitchoff, having to do with the transaction by the city.

city consider asking the Illinois General Assembly to grant subpoena power to investigating groups such as that formed in Madison.

"The committee was powerless to force the presence of anyone to testify and bring records with them for study and use by the committee," the attorney said.

By a 7-0 vote, it was decided to file suit, continue the investigation and hire an investigator. Aldermen present were Donald Reeves of Ward One, Donald Broyles and Richard Kismar of Two, Stanley Krakowiak of Three, Christ Costoff of Four and Haynes and Booker Walton of Five. Sikora of Ward Four was absent and there is a vacancy in Ward One. Third Ward Alderman Kozielek is serving as acting mayor.

It was brought out that the investigator—to be named by the council and legal staff—has not yet been chosen. "We'll cross that bridge when we come to it," Haynes commented.

Vasilieff cited possible future cooperation with Mudge if Moss pursues the citizen suit he has considered filing. The suit would seek return of fees to the city treasury as a means of easing the financial burden on Madison taxpayers. Both Moss and Abel had written criticism of city policies in recent months.

Haynes said the committee

will remain active and will "re-

port again and again to the council regarding its findings."

While initial emphasis is to be placed on one three-count suit against one party, Vasilieff said it is planned to broaden the investigation and action to as many individuals and firms as justified by future evidence.

Later in the meeting, the council voted to have its legal staff prepare an ordinance—re-

quiring council members and other city officers to sign affidavits on transactions of \$1000 or more, with each "swearing and affirming he has not and will not receive a fee, emolument or commission for the transaction."

When such an ordinance was first mentioned by the city attorney, Kozielek commented that in the future all city officials "will hear this in mind."

Vasilieff persisted, saying more than a verbal admonition should be considered. Broyles and Reeves agreed with Vasilieff, and Krakowiak then offered the successful motion to have the affidavit law drafted.

Mr. and Mrs. Jack Horton and son, Jerry, returned to their home in Houston, Tex., Monday, after spending the weekend, visiting friends and relatives here.

1971 Jaycee Rodeo Will Benefit From 1st Show

"The experience gained by the Jaycees in producing our first world championship rodeo last weekend was tremendous and certainly will help us put on an even better show for local residents next year," Gary Davis, chairman of the Granite City Jaycees' rodeo commented this week.

More than 7700 spectators attended the two-day rodeo held at the Tri-City Speedway, including over 2300 fans who viewed the Sunday afternoon performance, despite a three-hour delay at the outset due to a heavy downpour of rain turning the arena into a quagmire.

"Without the assistance of Paul Seebold of Seebold Concrete Co., we could not have staged Sunday's show," Davis said. The rodeo chairman reported the local businessman donated five truckloads of sand and the services of the drivers to recondition the arena.

"Initially, we thought of postponing the show, but everyone stayed around, so we decided to go ahead in spite of starting three hours late."

The Jaycee project chairman said that many patrons attending the rodeo neglected to deposit ticket stubs for a color television set, donated by Louis and Tom Stovall, Ada, Okla., Pashtoff of State Radio and third.

Television. Rodeo patrons wishing to turn in a ticket stub may do so by mailing it to Gateway Drywall and Decorating, Inc.,

4008 Braden avenue, Granite City, prior to July 31, Davis said. The television will be awarded by Miss Granite City, and certainly will help us put on an even better show for local residents next year."

Approximately \$2500 in prize money was distributed to winning cowboys competing in the Granite City Jaycees' first annual rodeo, which attracted 132 entrants representing 19 states.

Top winner was the nation's 1969 champion cowboy—Jack Wiseman of Houston, Tex.

Winning Cowboys

In the rodeo's five major events, winning riders were: Bareback bronc riding—Ben Jordan, Smithville, Okla.; first; Bobby Sit, Payson, Okla., second; John Clark, Fort Worth, Tex., third; and Ron Martin, River Grove, Ill., and Eddie fourth place, tie.

Calf roping—Jimmy James, Warrenville, Ill., and Sonny Victor, Valiant, Okla., first place, tie; C. E. Henry, Houston, Tex., second; Junior Crider, Eminence, Mo., third; David Martin, Henryetta, Okla., fourth; and Leroy Helman, Highland, Ill., fifth.

Saddle bronc riding—Gene Maynard, Grove, Okla., first; Tom Oar, Byron, Ill., second; John Clark, Fort Worth, Tex., third; and Wendell Ratcliff, Davis, Okla., fourth.

BIRTHDAY HAYRIDE FOR TAMMY HANFELDER

Tammy Hanfelder, oldest daughter of Mr. and Mrs. Bill Hanfelder of Arlington drive, was honored on her eighth birthday Tuesday afternoon with a hayride.

Her father pulled the wagon with a tractor in and around the Arlington area.

In attendance were Timmy Burns, Taina Kilponen, Trina Kilponen, Connie Blackburn, Stephanie Blackburn, David Buehrer, Howard Theis, Terry Sharp, Harold Sharp, Lori Ramsey, Rebecca Rawden, Alesia Galbraith, Brad Taylor, Jack Taylor, Jane Ann Mayo, Ronnie Dickerson and Tommy Dickerson.

Maternal grandmother, Mrs. Billie Hastry; Mrs. Debbie Man-Roy; paternal grandparents, Mr. and Mrs. Walter Hanfelder and daughter, Betty; and Mrs. Karen Kilponen, Mrs. Barbara Blackburn, Mrs. Patsy Burns, Mr. and Mrs. James Dickerson, Howard Dille, the honoree and her younger sister, Dori.

After the hayride, the children were given rides on Tammy's pony, Topsy, which was a birthday gift from her parents two years ago.

A ballroom-decorated birthday cake, ice cream and punch were served by the hostess. Each child received a party favor.

On Tuesday evening, the family went to dinner at the Flaming Pit near Edwardsville. There, the birthday girl was presented with another birthday cake and a gift.

AWNINGS—C. C. GLASS CO.
18th & Edison, 877-5400

Jane Ann Mayo, daughter of Mr. and Mrs. Ronald Mayo of Dixon, Mo., formerly of the Fairway Estates Apartments, Arlington Heights, has been a guest of Tammy and Turi Hanfelder, daughters of Mr. and Mrs. Bill Hanfelder of Arlington drive. She left Tuesday evening after spending the past few days with them.

NAVY MEN HONORED

A barbecue was held Sunday afternoon at the home of Mr. and Mrs. Edward Dodd and their son, Steven, 2139 Dewey avenue, honoring their nephew, David Stopkotte, and a friend, Michael Hinds, both of whom are home on leave from the Navy.

Attending were Mr. and Mrs. Howard Stopkotte and daughter, Janet, Mr. and Mrs. Herman Hinds and sons, Ricky, David and Robby, Mr. and Mrs. E. G. Dodd and Mr. and Mrs. Fred Mercer and son, Michael. Stopkotte, who only recently returned from a year-and-a-half tour of duty on Okinawa, will soon report to the Naval Air Station at Lemoore, Calif., for 15 weeks of training in aviation electronics.

Hinds has just completed a six-month training course in Idaho in a prototype of a nuclear submarine, and will be reporting to New London, Conn., for seven weeks of submarine school, after which he will be aboard the fast-attack submarine, SSN Sargo, based at Pearl Harbor, Hawaii.

HOMEcoming AT ST. MARK'S THIS WEEK

St. Mark's Catholic Church, Sixth street and Broadway, will hold its annual three-day homecoming Friday through Sunday.

The event will feature fish, barbecue and chicken dinners, plus refreshments, entertainment and rides.

Mrs. Charlotte Bilbrey and children, Theresa, Bob, Tom, Jeanne, Paul and David, 515 Fillmore street, were guests of Miss Barbara Harrison, South Ridge Apartments, Affton, Mo., at a swimming party.

Following several hours of swimming, the Bilbreds enjoyed supper at Miss Harrison's home. She is a former resident of Granite City and a former classmate of Mrs. Bilbrey.

LEGION AUXILIARY TO BE HONORED

The American Legion Auxiliary met Wednesday evening, with Mrs. Doris Edwards, president, announcing that Mrs. Rose Halbert has departed for the state convention which ends Saturday in Chicago. The local unit received a citation for increase in membership, which is the largest in the state, and the certificate is to be officially presented to Mrs. Halbert at the convention.

Another citation was received by the local unit for its contributions to the seven-point program of the department. The appointment of Mrs. Edwards as Gold Star Chairman for the 22nd District was made. Games were played, prize winners were Mesdames Alma Klaus, Melba Wade, Lynda Powers, Loretta Goeller, Nellie Hilmer and Jeanne Tapp.

GOP Women At Fair Booth

The Campaign Activities committee of the Granite City Republican Women's Club met Monday evening with the president, Mrs. Vernice Wortman. Mrs. Maxine Grissman, public relations chairman, and Mrs. Wortman reported on a board meeting of the Madison County Federation of Republican Women held Monday in East Alton.

The local club has been asked to take charge of the Republican booth at the Madison County Fair at 7 p.m. Friday, and the following members have accepted: Mrs. Edna Kohlbrecher, Mrs. Gladys Newman, Mrs. Grissman, Mrs. Wortman and Mrs. Mary Wachter. It was also noted that Senator Ralph T. Smith will be at the St. Clair

County Fair in Belleville July 30 from 8 to 10 p.m. The Campaign Activities committee discussed plans for attending Governor's Day at the State Fair on Aug. 16, and a recommendation was formed to ask the regular Republican organization as to the advisability of chartering a bus for the occasion.

Mrs. Wortman, advisor for the TARS (Teen-age Republicans) will accompany Miss Linda Wetton and Miss Deena Walton to the Southwest TARS Camp at the University of Tulsa, Tulsa, Okla., during the week of Aug. 28. The regular business meeting of the Republican Women's Club will be held Aug. 13 in the home of Mrs. Grissman.

SURPRISE PARTY FOR MRS. BOHNENSTIEHL

Mrs. Maude Bohnenstiehl, who resides at 2615 Jordan avenue, was honored with a surprise "open house" birthday buffet this week at the home of her son-in-law and daughter, Mr. and Mrs. Austin Witter, a Keebler road, Collinsville.

Hosts for the event, celebrating Mrs. Bohnenstiehl's 80th birthday, were the Witters; another daughter, Mrs. Edith Ryan; and the honoree's grandchildren and their families, Mr. and Mrs. Bill Miller, Mr. and Mrs. Gilbert Hippey, Mr. and Mrs. Ronald Seibold of Kansas City, Mo., Dr. and Mrs. Terry Randall, Mr. and Mrs. Robert Harris, Mr. and Mrs. John Ryan Jr., Mr. and Mrs. Jack McKeen and Mr. and Mrs. Randy Witter.

Mrs. Bohnenstiehl, a 43-year resident of Granite City, received many gifts. Cards were placed in a miniature "wishing well."

The buffet table was centered with a floral arrangement of pink and white carnations, flanked with pink candles. A birthday cloth covered the table. Individual tables were decorated in the pink and white color scheme and held vases of rosebuds. A specially-decorated cake was served.

Among the 200 guests were the following out-of-town friends and relatives: Mrs. Roby Evans of Troy, Mrs. Lydia Bohnenstiehl of O'Fallon, Mr. and Mrs. Ted Darner of O'Fallon, Mrs. Maxine Boyd and daughter, Mr. and Mrs. Joe Bohnenstiehl sr. and Mr. and Mrs. John Goddard of St. Louis, Mr. and Mrs. Chester Holtgreve of Edwardsville, Robert Seibold of Alton, Mrs. Fannie Brockus of Edwardsville, Miss Elva Schuerger

AMVETS 51 AUXILIARY PLANS FOR MEETING

Amvets Auxiliary 51 met last night with Mrs. Margaret Smith in charge. The opening prayer was offered by Mrs. Betty Wilkins, chaplain.

Mrs. Charlotte Damal, Fifth Division president, announced a Division meeting Aug. 9 at 2 p.m. at the local headquarters.

Mrs. Etta Clements was hostess, and the "white elephant" was won by Mrs. Smith. A pink and blue shower was given for Mrs. Glenda Brockman. Fifteen were present.

Moose Women Add Members

A business meeting of the Women of the Moose was held last night at the Moose Hall with Senior Regent Dorothy Coy in charge.

Mrs. Coleen Corbett was a candidate enrolled, and new members voted on and approved were Carol Childers, Margaret Jones, Doris Daily, Carolyn Daily, Lucille Scholbo, Constance Fisher, Donna Hasty, Goldie Martin and Marie Verbyck.

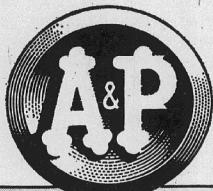

A meeting of the executive board was held prior to the general meeting and plans were made for a rummage sale Aug. 14-15 at the lodge. Another coming event will be a dance Aug. 22 sponsored by the women. Announcement also was made of the state convention in Peoria Oct. 9-10-11.

VISITING PARENTS

Mrs. Michael Orrison and daughter Susan of Lacon, Ill., are here visiting her parents, Mr. and Mrs. Charles Jungels, 2541 State street. Mr. Orrison was here with his family for a part of their vacation but returned home the past week. Mrs. Orrison, the former Linda Jean Jungels, and daughter will leave Saturday.

Prizes were won by Mrs. Coy and Mrs. Edna Miller. Twenty-three were present. The next meeting for "Star Recorders" will be held Aug. 9 at 2 p.m.

Our '70 Cadillacs Are Moving Out Fast!
(Like this Coupe De Ville)

WHY IS THIS THE BEST TIME TO BUY?

- We still have a fine selection of models, colors and equipment.
- Our low sale price will compensate you for a large portion of the first year's depreciation.
- Price on the 1971 models will probably be higher.
- New cars assembled during the latter part of the model year have the most perfect workmanship.
- New 1970 Cadillacs have a 5-year, 50,000-mile power train warranty.
- If you have a car to trade, it will never be worth more than it is today.

EveryBODY Needs A "SLIM GYM" AS ADVERTISED ON TV

LOSE A DRESS SIZE IN TWO WEEKS!!

"TAKES OFF INCHES"
"World's Easiest Method of Exercise"
Invented by a Man with a Broken Back

"EXERCISES THE WHOLE BODY"
"MEN: LOSE A BELT NOTCH"
"FEEL BETTER"

READ THESE RESULTS OBTAINED BY LOCAL RESIDENTS

- "I'm crazy about it. It's really the truth! I bought it to help my back problems and it sure has helped."
- "I use it as soon as I get up in the morning. I was amazed how much better I felt. I'd say you feel 100% the whole day."
- "I lost an inch in my hip, waist, bust, and abdomen. But the best thing is that the Slim Gym has made my system move. I used to take a laxative every day, but I haven't had to take one since I started using the Slim Gym."

YOU WON'T BELIEVE HOW IT FEELS 'TIL YOU'RE IN ONE.

'Save Sesame Street Fair' Planned July 29

All Quad-Cityans are being invited to attend a "Save Sesame Street Fair" to be given by Warren Lane residents of Mitchell to keep the popular children's television show on Channel 9 on a continuous basis.

The fair will be held from 5:30 p.m. to 8:30 p.m. on Wednesday, July 29, at the home of Mr. and Mrs. Barry Murphy, 212 Warren lane, which is off East Chain of Rocks road immediately west of the Bel-Aire Drive-In Theatre.

Mrs. Murphy is chairman of the fund-raising project, and is being aided by Mrs. George Becker, Mrs. Lloyd Werthe and Mrs. Richard Mueller.

Mrs. Becker pointed out, "We have the blessing of Sesame Street and Kete Channel 9, and they are sending us special materials. We plan to have persons in the neighborhood in costume, representing characters in the show."

Nearly everyone in the neighborhood, including the youngsters who are avid watchers of the program, will be participating in the fair.

Planned as special attractions are puppet shows, a fish pond, a lemonade booth, penny candy sales, a bean count contest and possibly pony rides.

A planning session was held Monday, and additional features are being planned this week for the fair.

Channel 9 announced earlier this summer that \$22,000 would be required for continuing all programming of Sesame Street, and last week was still short of the goal.

Business Courses at St. Mark's to Continue

Venice school board members Monday night approved continuation of a pilot program through which qualified students in advanced accounting, office machines and typing Technical Center work at St. Mark's at the Venice-Lincoln Mark's Credit Union two days each week.

The training program, started on an experimental basis in April, has proved successful, Don Davinroy, business education instructor at the adult vocational center, informed the board. Permission to continue the project was granted, pending approval by VLTIC Director R. Duane Rankin.

Under the supervision of Davinroy, students work at the credit union facility three hours each Tuesday and Thursday. The on-the-job training is coordinated with regular classroom studies on the remaining weekdays.

The additional work experience, other than academic and classroom study, increases the student's chances of finding employment after graduation, Davinroy explained. All phases of office duties are tackled by the trainees during assignments at the credit union, he said.

In other action, the board members authorized renewal of a contract with the Page Insurance Co., Mt. Vernon, to provide school insurance service in 1970-71 for district pupils and teachers.

Rates will remain the same as last year, Assistant Supt. Robert N. Vickers reported, with kindergarten through sixth grade pupils paying a \$3 premium, seventh through 12th grades and teachers paying \$2, and a \$20 fee charged for 24-hours-a-day coverage.

Open House Will Conclude Venice Summer Program

An open house and exhibition of arts and crafts will conclude the Title One summer program in the Venice school system on Wednesday, July 29, Robert N. Vickers, assistant superintendent of schools, announced Monday evening at a meeting of the District Three board of education.

Parents are being invited to Venice grade school between the hours of 10 a.m. and noon July 29, when a variety of projects constructed by first through eighth grade pupils will be exhibited.

Children in remedial reading and mathematics classes also will display work accomplished during the seven-week summer program.

Prior to this year, the Venice school district's summer program was conducted at the Venice community center and in Lee Park. Classes were moved to the school buildings to better coordinate activities of the 139 youngsters enrolled, Vickers said.

Pottery and Paintings

Craft work to be exhibited will include pottery items and other art objects made by the children, together with finger-painting and similar creative projects.

Instructors in the 1970 program who will supervise the July 29 open house are Mrs. Florence Durer, Mrs. Sharon Gregg, Mrs. Marianne Hay, Mrs. Helen Plar and Mrs. Maetie Richard, remedial reading; and Mrs. Linda Knipping and Mrs. June McClain, arts and crafts.

Theodore Savage, Robert Dubnick, Clarence Hart and David Kimbrell, remedial mathematics; Mrs. Georgia Farwell, guidance counselor; and Miss Josephine Costarella, physical education instructor.

Five aides are assisting the teachers in conducting the 1970 summer class schedule, Vickers said.

In other business Monday night, board members authorized payment of tuition fees for Joseph J. Potts, 1221 Oriole street, to attend the Belleville junior college. The Venice high school graduate is the eighth student whose tuition costs the board has acted to finance in 1970-71 under the junior college fund program.

Chas. Sullivan, 75, Dies; Ill 4 Months

Charles Sullivan, 75, of 2816 Nameoki road, a retired meat cutter, died at 3 p.m. Monday at St. Mary's Hospital, East St. Louis, Ill. for four months, he suffered a stroke and hospitalized one day.

A native of Grand Tower, Ill., Mr. Sullivan, resided in Granite City for 17 years.

His employment of the last five years had been with the Hotten Wholesale Meats of East St. Louis, and he retired one year ago.

Mr. Sullivan was a member of the City Temple in Granite City and the Meatcutters Local of East St. Louis.

He is survived by his wife, Bessie; four daughters, Mrs. Elleen Hiser of Murphysboro, Ill., Miss Thelma Sullivan of Granite City, Mrs. Norma Smith of North Pekin, Ill., and Mrs. Ruth Patton of Ogden, Utah; a son, Rev. Wayne Sullivan of Festus, Mo.; two brothers, Thomas and Marion Sullivan both of Granite City; and 13 grandchildren.

Funeral arrangements are given in today's obituary column.

EARL WRIGHTSON AND LOIS HUNT

Earl Wrightson, Lois Hunt, Franz Allers at Festival

Earl Wrightson and Lois Hunt, whose program of song hits from Broadway shows "The American Musical Theater in Concert," has been a standing-room-only attraction for five seasons, will appear Sunday, July 26, at the Mississippi River Festival at SIU-SW. The pop concert with the St. Louis Symphony Orchestra begins at 7:30 p.m.

Another attraction at the Sunday night performance will be guest conductor Franz Allers, a native of Czechoslovakia. A former Metropolitan Opera singer, Miss Hunt most recently appeared on Broadway playing a lead in "The Sound of Music." Wrightson, who won an Emmy for his hosting of the television show "The American Musical Theater," is one of the few recipients of the coveted Handel Medal, highest cultural award presented to an artist by New York City.

Best-Selling Albums

Together Miss Hunt and Wrightson have made three best-selling albums of music by Jerome Kern, Sigmund Romberg and Rudolf Friml.

They recorded the first stereo version of "Kiss Me Kate," as well as numerous other albums made separately and jointly.

Both appear often on such shows as the Bell Telephone Hour, the Tonight show, and the Jackie Gleason show and both have played most of the past night spots in the country.

In addition to his co-starring roles with Miss Hunt, Wrightson has starred in "Paint Your Wagon," "Can-Can," "South Pacific" and "Happy Hunting." For three years he starred on the Paul Whiteman Show.

Wrightson says he has never regretted turning down an opportunity to sing with the Metropolitan Opera, although flattered by the offer.

He is under contract to Columbia Records and every album he has recorded has been chosen as the Columbia Record Club selection of the month.

Operatic Quality

Lois Hunt realized when she was 15 that she possessed a lyric soprano voice of operatic capability. Her high school was an auditioning singers for the Glee Club and the music teacher took her aside and told her that her voice was too powerful and wouldn't blend with the rest of the choir.

Disappointed, Miss Hunt paid a visit to her grandfather, a retired orchestra conductor. He was so impressed with her voice that he went out of retirement and undertook the role of her voice teacher.

During a performance at the USO canteen in Philadelphia, Mrs. Alexander Bidle heard her sing and later arranged an audition with Frank St. Leger.

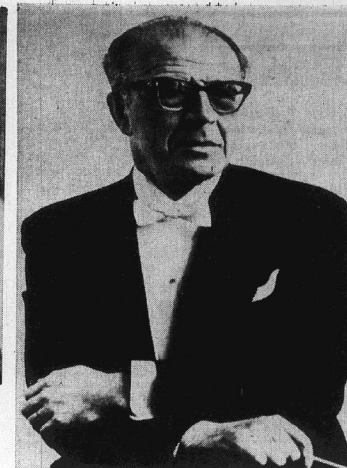

Temporarily halted by construction on a new \$50,000 sanctuary at 229 Charles street, Granite City, for the First Free Will Baptist Church.

Construction was started March 3, and the members now are in the process of selling \$17,000 in bonds paying 7 1/2 percent to finance the remaining cost.

Randall Steelman, deacon, said Burlington Construction Co. has completed nearly two-thirds of the structure which is to seat 150 persons. The present basement sanctuary will be converted to classrooms.

Steelman said plans for the new building were made under the leadership of Rev. Lesley Logsdon. Additional information on the bonds may be obtained from Steelman by calling 876-7484.

MAESTRO FRANZ ALLERS

den, the young musician came to the U.S. with Leonide Massine and his Ballet Russe de Monte Carlo.

Guest Conductor

Franz Allers, guest conductor for Sunday night's performance, was the youngest musician ever to work on the musical staff of the Bayreuth Festival.

The advent of Nazism brought a sudden end to his promising Central European career and, after conducting at Covent Gar-

den, the young musician came to the U.S. with Leonide Massine and his Ballet Russe de Monte Carlo.

He made his American debut at the old Auditorium Theater in Chicago and has since been a regular in Chicago, first at Grant Park and more recently as a guest conductor of the Chicago Symphony.

Allers has conducted most of America's leading orchestras.

Sewer Repairs Costly

OEP Funds to City Helpful, But \$334,000 is Not Enough

A check for \$203,000 received by Granite City from the Office of Emergency Preparedness to fund sewer repair work was put to work immediately.

The money was received Friday and at Monday night's council session was put to work, repaying an IOU loan from Nameoki sanitary sewer reserve accounts. It is certain to be borrowed again within a short time.

To date, the city has received \$334,500 from OEP to pay costs of sewer repairs resulting from last summer's heavy rains that caused sewer lines to collapse.

Mayor Partney told council members Monday night he expects the total federal funds to amount to \$700,000, but that the city's financial condition still is not too bright.

He explained the costly repairs exceed the \$700,000 figure, and while additional federal funds are expected, the city at present owes the contractor over \$200,000. "By issuing an IOU to borrow from the Nameoki area sanitary sewer reserves, we were able to save a 5% interest cost. Even though we just repaid \$167,956, we'll have to borrow it again now to pay the contractor."

"That money will have to be repaid from the tax monies being collected," the mayor added.

Partney also pointed out the city's anticipated income from the state income tax, based on \$5.75 per capita each year, will be down \$20,000 or more because of the 1970 drop in the preliminary census figure.

The OEP funds are being released to the city from Springfield by Val Oshel, Illinois Civil Defense Director, who said the flood damage to sewers in Granite City qualified for aid under the federal financial assistance program covered by Public Law 875.

Through resolutions adopted Monday night, the council transferred \$32,930 from the special OEP fund to the Nameoki area operations, maintenance, repairs and replacement fund; \$167,956 to the particular area replacement fund and \$1429 to the sewer extension replacement fund.

In separate action, the council approved another fund transfer resolution, taking \$15,550 from the city's state income tax account to be distributed as follows: \$6744 to the Illinois Municipal Retirement Fund, \$4686 to the street lighting account, \$2867 to the police department, \$377 to the fire department, \$1361 to the sanitation department, \$469 to the water fund, \$243 to the air pollution control fund and \$59 to the city hall account.

McKinley, Webster Hold Playground Lead

In the fifth week of competition in the Granite City park district's summer playground softball league, McKinley and Webster schools continue to dominate their respective divisions, according to Jim Greenwald and Gary Willis, program directors.

McKinley center leads the American league with a 5-0 record and Webster center with a 4-0 mark tops the National League teams.

Games are played weekdays at 1 p.m. and 2:15 p.m. at Diamond No. 8 at Wilson Park. The softball contests are for grade school youngsters who take part in the park district's summer recreational program at 11 playground centers in Granite City.

Other American league teams show the following records—Logan, 3-1; Wilson, 3-2; Niedringhaus, 3-3; Washington, 1-3; and Nameoki, 0-6. National league teams behind Webster center are: Parkview, 2-1; Lincoln Place, 2-2; Salvation Army, 1-2; and Marshall, 0-4.

Special Education Teacher Scholarship

Paula Burgener, a June graduate of Granite City high school, has received a four-year teacher special education scholarship. She is the daughter of Mr. and Mrs. Casper Burgener sr., 5404 Maryville road.

While in high school, she was an active member of the Girls Athletic Association, Red Peppers, Girls Glee club and Seventh Hour Glee club. Miss Burgener became interested in special education after being a counselor at a two-week day camp for handicapped at Monicello College, Godfrey, sponsored by the Eastern Seal Society.

In November of last year, she attended a special education conference in Decatur, given by the Illinois Council for Exceptional Children. This is the third summer Miss Burgener has worked for the Granite City park district in its school playground recreation program. She will attend SIU-SW in the fall to begin her courses on special education.

Trains of Great Lakes

Navy Seaman Recruit Lonnie E. Fenton, son of Mr. and Mrs. Norman Fenton of 816 Grand avenue, has completed two weeks of annual active duty training at the Recruit Training Command, Great Lakes, Ill.

Returning to his local reserve unit, he will train once a month to review and expand his Navy skills.

PAULA BURGNER

Stanley Holmes Enrolls At MacMurray College

Tecumseh Stanley Holmes of Madison, has enrolled at MacMurray College at Jacksonville for the fall term beginning Aug. 28.

Holmes, a 1970 graduate of Madison high school, is the son of Mr. and Mrs. Eddie Holmes, 1321 Highland avenue, Madison. While attending the Madison high school, Holmes was a member of the Actor's Club and the Lettermen Club. He was also active in track.

He plans to major in Psychology. MacMurray is a four-year liberal arts institution with an enrollment of 1000.

Sp/5 Gargac's Unit Aids Cambodia Drive

The 588th Engineer Battalion (C) (A) Cu Chi, RVN, to which Sp/5 Terry Gargac of Granite City, is assigned, was responsible for contributing a significant portion of combat support construction to the First Cavalry Division (AM), the 26th Infantry Division and 11 FFV Artillery Units in Cambodia, it was reported this week by the Engineer Battalion.

Sp/5 Gargac is a member of the 302nd Engineer Co. that supported the battalion's projects, among them the construction and maintenance of over 120 kilometers of main supply route. The companies also constructed four bridges and reinforced a fifth bridge south of a rubber plantation.

Among the unit's duties were the operation of a rock quarry and crusher site which provided over 10,000 tons of vitally needed rock and construction of several fire support bases, providing means for demolition teams to destroy enemy bunker complexes and continuous minefields.

The local soldier is the son of Mrs. Angie Gargac of 2347 Rock road.

Dance Here Saturday

The Madison County Association for Mental Health will sponsor a teenage dance from 8 to 11 p.m. Saturday at the Wilson Park ice rink. A popular music group, "Phoenix," will entertain. Admission will be \$1.25.

Murphy Named Foreign Service Officer by Nixon

President Nixon has commissioned Thomas F. Murphy, son of Mr. and Mrs. Edwin W. Murphy sr., 2412 Lincoln avenue, as a foreign service officer of the United States.

The oath of office was taken at a ceremony in the Department of State in the presence of U. Alexis Johnson, under secretary of state for political affairs.

The foreign service is a career professional corps of men and women who are selected and trained to carry out this country's foreign policy. Murphy received the appointment after successfully completing highly competitive written and oral examinations.

Within a few weeks he will be assigned either to a U. S. embassy or consulate in one of the more than 100 countries with which the U.S. maintains diplomatic relations or to the Department of State headquarters at Washington, D.C. Murphy is a graduate of Granite City high school. He received a bachelor of science degree from Southern Illinois University—Carbondale and a master's degree from Columbia University.

Three Receive Degrees From U. of Missouri

Three Granite City students have graduated from the University of Missouri at Columbia upon completing their work during the winter semester. They are Deborah Jane Brashers, 1528 Lindell Blvd., bachelor of science in education; Wallace Neal Eads, 2601 Angela drive, bachelor of arts; and Carol Spengler, 3666 Terrace lane, master of science.

Two Area Students Named to Dean's List

Two Granite City students were named to the dean's list at Millikin University for academic accomplishments during the second semester. They are Judith Barr, daughter of Mr. and Mrs. Blaine B. Barr, 1861 Second street, Madison, a junior majoring in biology; and Phyllis Wallace, daughter of Mr. and Mrs. Clarence Wallace, 3144 Myrtle avenue, a sophomore majoring in elementary education.

The Rev. Paul E. Hardy of Hanham Methodist Church, Bristol, England, will be on the McKendree College campus at Lebanon, Friday, at an informal seminar in the Holman library, at 1:30 p.m. He will discuss early Methodism.

Rev. Hardy is here on a month's ministerial exchange at the Fairfield United Methodist Church. He is accompanied by his wife and three children. Rev. Robert Krause of the Fairfield church is now serving in Bristol, England.

LARRY HARMON
Hospital Volunteer

Hospital Volunteer Plans Medical Career

Larry Harmon, a recent graduate of Westminster College at Fulton, Mo., is spending another summer in a job-education program at St. Elizabeth Hospital on a volunteer basis.

It is the second year the local resident has participated in the summer program which permits him to gain insight into the operations of the hospital and to familiarize himself with the functions of a hospital medical staff.

Born and reared in Granite City, Harmon attended Nameoki elementary school, Coledge junior high and graduated from the local high school. The degree he earned at Westminster College was in biology.

He is the son of Mr. and Mrs. Thomas Harmon, 51 Janday Lane.

The hospital volunteer is planning to enter St. Louis University School of Medicine in September. At the present time, he has not decided the branch of medicine in which he expects to specialize.

Marine William Fulcher Promoted in Vietnam

Marine Sgt. William G. Fulcher, son of Mr. and Mrs. John D. Fulcher of 2445 Edison avenue, was promoted to his present rank while serving with the First Marine Aircraft Wing in Vietnam.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

Musical Numbers Picked For Roca Dinner-Show

All musical numbers for the sixth annual dinner-show being produced by the Roca Young Men's Club have been selected. The show is entitled "Scores and Skits—1970."

Greg Jones, chairman, reported that brush-up rehearsals are progressing for the show for performances on Fridays and Saturdays, July 31 and Aug. 1, and Aug. 7 and 8 at the 300 room of Tri Mor Bowl.

Dinner at 7 o'clock will be followed by the show at 8 p.m. Reservations may be made by calling John Harizal at 877-0615 or Dave Evans at 877-1501, or by contacting any Roca member.

Musical accompaniment will be provided by Pat Dineff at the piano and Mark Rigby on drums. Directors are Earl Parsons, overall; Diane Nocheff, choreography; Miss Dineff, vocal; and Dan Lieurance, technical.

20 Songs, 20 Emcees
Twenty songs, each representing a year since the founding of Roca in 1950, will be performed, along with several skits highlighting historical events of the last two decades. There will be 20 emcees instead of the usual two.

Numbers to be performed are: 1950, "We Are on Our Way," by the entire cast; 1951, "What Do We Do? We Fly!" by Dave Roulund, Mike Loftus, Betsy Hayes and Nancy Sternberg; 1952, "Little Tin Box," Chris and John Harizal, Harry and Rich Diak, Russ Cherry and Greg Jones.

ROCA MEMBERS rehearsing for the "Be Back Soon" number to be presented at the sixth annual dinner-show sponsored by the young men's club. Left to right—Chris Harizal, Steve Burdge and Gene Doyle. Seated is Pat Dineff, musical and vocal director.

Special Latin Class Planned at SIU-SW

Humanistic ideas through reading Latin will be offered at the Southern Illinois University-Southwestern campus when the fall quarter begins Sept. 22.

Basic principles of the Latin language will be taught by Gertrude Drake, associate professor of the humanities, through reading selections from classical, medieval, Renaissance Latin and modern Latin. The classes will meet Mondays and Wednesdays from 12:30 to 2:30 p.m. Each section will provide four credit hours.

Prof. Drake, a strong advocate and student of the classical languages, will be using her own anthologies, constructed primarily for this type of humanistic teaching of Latin. One section will concern the human comedy; another section, man's ideals of loyalty and love; and third, history and legendary history.

BILL FOX

Bill Fox Wins Honor In Order of Arrow

Bill Fox has been appointed vice-chief of the Cahokia Lodge Order of the Arrow for the Unihah District which includes the Quad-City area. It was announced this week by Mike Durbin, chief of the Cahokia Lodge.

There are about 250 local scouts and scouters who are active members of the Order of the Arrow, a National Honor Camping Society of the Boy Scouts of America.

Fox is the son of Mrs. Dina Fox, 814 Madison avenue, and has been active in scouts since he was eight years old. He is a Brotherhood Member of the Arrow and has been active on several lodge committees.

He also is vice-president and lieutenant in Explorer Post 10-4, a law enforcement, specialty post sponsored by the Madison Lions Club and police department. A junior at Madison high school, he plans on becoming a lawyer. He also has gained recognition as a tennis player for Madison high.

Fox is a Life Scout and working on his Eagle Scout badge. He is a member of the staff at Camp Sunnyside, Potosi, Mo.

SIU STUDENT IN LONDON. Ruth Ellen Bailey, Rural Route 3, Granite City, looks over the latest in English fashions in London. She is on a 10-week European travel-study tour sponsored by SIU-Carbondale. From London, Miss Bailey will travel to Russia where she will study Russian at the Leningrad Polytechnic Institute until Aug. 8. She will then tour Russia and arrive home Aug. 25.

Miss Young Bang Cho Gives Concert in Seoul

A concert on June 9 in Seoul, Korea, climaxed four years of study and training for Young Bang Cho, the young talented Korean pianist, who lives in Granite City three years and for the past year in Baltimore, Md.

The concert was sponsored by one of the leading newspapers in Seoul, which is Miss Cho's hometown. The first part of the program consisted of solo piano compositions, which included, Abegg Variations Op. 1, Schumann, Fantasia Op. 12, Schumann, Impromptu Op. 29, Etude Op. 10 No. 1, Etude Op. 25 No. 2 and Etude Op. 25 No. 11 all by Chopin. A second part was Mendelssohn G Minor Concerto played with the Seoul Symphony Orchestra.

During her visit in Korea, Miss Cho will give a second concert in Tae-Ku and several television and radio performances. She is there to visit her parents and a brother.

Miss Cho, who is now 16, arrived in Granite City in October

1967 to study with Miss Ruth Slenczyska, artist-in-residence at the SIU-SW campus, through arrangements made by James Wade, a former Granite Cityan now in Korea. She attended Coolidge junior high school and performed in several competitions in this area, appearing before clubs, churches and at school events. She was also the winner of the Young Artists Competition sponsored by SIU, and was presented at a concert at the Southwestern campus.

A dedicated concert musician, Miss Cho made her home with Mr. and Mrs. Donald Mac Donald, 1729 Primrose avenue, while training here. Last September she transferred to Peabody Conservatory in Baltimore, Md., where she studied piano and theory and was an honor student at St. Paul's Episcopal School for Girls. Her sister, Young Mi Cho, is a violinist and is also in Baltimore attending the same schools. She remained in Baltimore for the summer.

Miss Cho will remain in Korea for the summer and on her return to the United States will stop in Granite City early in

Local DeMolays Will Attend State Conclave

Plans were discussed for attending the 42nd annual state DeMolay Conclave in Arlington Park, Ill., Aug. 14-16, during the regular meeting of the James Stuart Chapter, Order of DeMolays, Tuesday evening at the Masonic Temple.

The delegation of local DeMolays will enter Miss Peggy Carson, the chapter's Sweetheart in the state sweetheart contest with expectations of winning the state title. She recently was crowned Miss S.T.D.A. at a Southern Illinois DeMolay Association meeting in Jacksonville.

Tim Noud was named chairman of a committee to arrange a series of week-end car washes to help defray part of the cost of those who will attend the event. Assisting Noud will be Pat Boyer, Mike Hickey, Robert Hollenbeck and Bill Wittkamp. The first car wash will be at the Bellemore Village Sinclair service station this Saturday from 9 a.m. to 5 p.m. Mike Hickey, chairman of the chapter's tennis tournament, announced plans have been completed for the tourney to be held at Wilson Park courts on Friday with competition to begin at 10 a.m.

The activities committee reported that the summer picnic will be at Pere Marquette state park, Grafton, on Sunday, Aug. 2. Parents of DeMolays and prospective members are invited to attend. The groups will leave Bellemore Village shopping center that day at 12:30 p.m.

City to Seek GAO Study of Depot Closing

Assistance from Congressman Melvin Price in obtaining a quick study of the alleged cost-saving factor in closing the Granite City Army Depot will be sought by the Granite City council.

Alderman Paul Schuler pointed out during Monday night's session that a belated survey by the federal General Accounting Office uncovered that relocation of certain phases of Air Force operations from Scott Air Force Base at Belleville would be more costly and that savings had been vastly overestimated.

"They found that out after the move had been made, and we have a little more time with the Army Depot," Schuler said in motivating for the mayor to

write to Price requesting such an inquiry here by GAO.

The motion was approved unanimously.

In other action, the council voted to award a one-year contract to Ralph E. Curry, CPA, for auditing city books and accounts. The cost will be \$2500.

Last year the audits were by Jack Huggins, costing \$2485.

Referred to committees were reports from state examiners on the police and firemen's pensions funds, recommending added information be made available on pensioners and widowers, as to ages and other personal data.

Sewer Request
City Engineer Kenneth Kleberger was asked to prepare an

estimate on a request for a 150-foot sanitary sewer line to serve three homes on Rode avenue and one on Norwood drive in the recently annexed section of Norwood Terrace. He also was asked to study a report from the division of highways seeking city permission to publish cost estimates of motor fuel tax projects to be listed in bulletins to contractors. The estimates previously had not been listed, and Kleberger was asked to prepare a recommendation.

City Atty. Scroggins and Mayor Partney were instructed to attend an Illinois Commerce Commission hearing to be held in Springfield at 10 a.m. July 30 on a request by Illinois Power Co. to establish a priority list for connections for new gas customers.

Alderman Partney pointed out such a priority might stunt future growth of the city.

The city received notification of drop in population with the preliminary report on the 1970 population count by the Census Bureau. The preliminary figure is 36,086, a drop of 3967 from

the 1960 official count of 40,037. The notification was placed on file.

Detective Resigns
Accepted by the council was the resignation of Police Detective Jerry R. Wilson. His letter was dated June 25, with an effective date of July 1. Wilson said he was leaving the department to go into a different field of work. "I'm proud to have been a part of the Granite City police department," he wrote.

Placed on file was a circuit court notice that the court had overruled a motion for rehearing of the case in which Mayor Partney was upheld in hiring two women to serve as police dispatchers on the basis the 30-day appeal period had expired and the court saw no purpose in rehearing.

Referred to committee was a request by Sewage Treatment Plant Supt. Robert Jackson for employment of two operators at the plant for the vacation season and to replace an operator who is to retire later this year.

Alderman Robertson, chairman of the Special Salary Negotiating committee, reported no meeting has been set to date for a federal mediator to sit in on wage increase talks for city hall employees. Permission was granted the

1960 official count of 40,037. The notification was placed on file.

Republican Women's Service League to hold a "welcome home" parade for U. S. Senator Ralph T. Smith on Aug. 8, when Senator Smith is to appear at the Wilson Park rink-recreation center. The parade is to start on Klein street in Venice and proceed along Broadway and onto Madison avenue through Madison and in Granite City on Madison avenue and Namekook to Fehling road and then to the pavilion.

A six-month report on income from the metered downtown parking lot in the 1800 block of Edison avenue was requested by Mauri Rich, president of Downtown Granite City, Inc. The downtown merchants have agreed to share the cost of city purchase of the lighted, paved parking lot.

Referred to Second Ward aldermen was a request for reconsideration by Nick Vasilieff, lawyer for Vasil and Esther Vasilieff, 2818 State street, who are objecting to a Zoning Board of Appeals ruling to permit Thomas Skerle to build a home on a vacant 50-foot lot at 2314 State street.

The Vasil Vasilieffs pointed out the council had no objection to the proposed construction and were on vacation when the hearing was set for

July 8. They are asking to be heard by the Appeals Board, which ruled for Skerle at the hearing. It was pointed out that no building permit has yet been issued, and the ward aldermen were given a week to study the matter.

Contest Lot Size
The Vasilieffs contend they were deprived of their rights, especially since the lot has only 6250 square feet, while 6500 is required in an R-2 residential district. Their official notice to the council asks for the Zoning Appeals Board order to be dismissed.

Atty. Nick Vasilieff appeared before the council and asked for an opportunity for his brother to be heard by the Appeals Board.

Nonn pointed out Skerle had bought the lot in 1964 and that because of the high cost of such property he should be able to build. "I owned a lot in that neighborhood, and I know such property can't be touched for \$5000," the aldermen added.

Basarich added that there were homes in the neighborhood with less than the required seven-foot side property area, and that the council had no intention of holding to the zoning law requirement in such instances. "Why I built a garage

one foot from my property line, and nothing was done about it," he added.

Lawyer Vasilieff reminded the council his clients still had not been heard by the Appeals Board, and he agreed to wait one week for the report by the Second Ward aldermen.

Accepted by the council was a \$2800 bid for a 1971 Chevrolet van truck for the humane department. The only other bid was \$2868 for a 1970 Ford van.

Several aldermen complained that Neighborhood Youth Corps boys were operating the humane department truck without the city humane officer. Mayor Partney said he would look into the matter.

Placed on file was a letter from the Tri-City Trades & Labor Council announcing the appointments of Edwin Reiske, Robert McCormick, George Gaggus and Tom Nesbit to the city's Citizen Advisory Commission.

The council plans to be represented at hearings by the Interstate Commerce Commission on petition by the Gulf, Mobile & Ohio Railroad to discontinue its Trains Five and Six between St. Louis and Chicago. Alderman McOrlien said these are the only night trains for passengers on the St. Louis

Angela Grupas in Illinois 'Little Miss' Competition

Madison will be represented in the Little Miss Illinois pageant Saturday at Rockford by a contender for the LaPette (ages 3-6) state title, Angela Kathryn Grupas, six, and by a talented 12-year-old, Miss Barbara Ann Sasyk.

Angela, the daughter of Mr. and Mrs. Albert Grupas, 1302 Washington avenue, is the reigning "Little Miss Southern Illinois-LaPette," having been

crowned following judging at Roxana July 17.

She will model sportswear and a party dress and will be judged on beauty and poise. Miss Sasyk, daughter of Mr. and Mrs. Mike Sasyk, 1423 Fifth street, won the talent portion of the competition for 7-12-year-olds and was invited to present her pantomime and dance routine, "Hello Dolly," at the state contest.

On-Site Hearings Set Aug. 3 by Board of Appeals

Three on-site hearings in Nameoki township and one in Chouteau township on petitions for rezoning or special use permits under county zoning regulations have been scheduled Monday, Aug. 3 by the Madison County Zoning Board of Appeals.

The first hearing will be held at 10 a.m. on petition of Walter Rozycki, owner of record, for rezoning a tract of land from R-5 Multiple Family Dwellings and Agriculture to B-3 Highway Business district, with a special use permit to establish a mobile home park in Nameoki township. The site is on State Aid Route 35, just southeast of the Holiday Mobile Home Park of America.

At 10:30 a.m., the appeals board will hear the petition of Grandpa's store by J. W. Haley, president and owner of record, and Sam Imgraci Jr., lessee, requesting a special use permit to operate a temporary produce stand with a variation to set back lines in a B-3 Highway business district in Nameoki township.

The Chouteau township hearing is scheduled at 11:25 a.m. on the petition of Triplek, Inc., by Robert L. Nager, owner of record, requesting a special use permit to operate an overnight camp grounds and convenience facilities in a B-3 Highway Business District, with a special use permit for a mobile home park, near the intersection of U. S. 87 and U. S. By-Pass 66.

Solicitor Registration Law Ok'd by GC Council Monday

Ordinances requiring solicitors to register at the Granite City police station and prohibiting trespassing on posted public and private property were approved Monday night by the city council.

Both ordinances had been placed on first reading at the July 6 meeting, and both carry penalties of up to \$500 for violators.

Nonn objected to the solicitor registration law, saying it would result in anyone filing charges should "an enemy knock on his door." Schuler said he had been questioned about the ordinance by several insurance agents, but no objection had been raised.

Moerlein commented he had heard the ordinance was illegal. City Atty. Leon Scroggins replied that it had been prepared from a model ordinance provided by the legal staff of the Illinois Municipal League and was submitted at the request of the police department. The solicitor control ordinance was approved by a vote of 11-to-4, with Nonn, Basarich, Moerlein and Green dissenting. Alderman Boyd, who is vacationing, was absent.

Under the law, persons soliciting for any purpose would be required to obtain a certificate of registration and to submit to fingerprinting. It sets out that registration is believed necessary because of complaints to police from persons who said solicitors have gained or sought to gain admittance to residences "or made nuisances of themselves, disturbing or annoying the occupants."

The police chief is to rule on applications which are needed for registration of persons soliciting orders for purchase of books, magazines, newspapers, wares, foodstuffs or services as well as those seeking gifts of money, clothing or other valuable items for charitable or non-profit organizations, firms or projects.

Granite City residents also may decide whether they want any solicitors to call at their homes. The police chief is to provide, at cost, weather-proof cards, three-by-four inches, for posting on or near the door. The signs are to bear the messages either "No Solicitors Invited," or "Only Solicitors Registered in Granite City are Invited."

The law further states there shall be no solicitation for any purpose before 9 a.m. or after 9 p.m. daily, and none at all on any Sunday or holiday.

Mrs. Giovando, 55, Of Collinsville, Dies

Mrs. Josephine Giovando, 55, of 101 Johann drive, Collinsville, owner and operator of Club J, 9403 Collinsville road, for 28 years prior to her retirement three years ago, died at 11 a.m. Tuesday at Memorial Hospital in Belleville. Ill. for four months, she had been hospitalized since Sunday.

She was born and lived in St. Elmo, Ill., until moving to Collinsville 31 years ago. Mrs. Giovando was a member of the Bartenders and Waitress Union Local 332.

Survivors include a son, Walter D. Young of Collinsville; one sister, Mrs. Harvey (Catherine) Hantock of St. Louis; a brother, Bryan Davis of St. Elmo; and six grandchildren. Funeral services given in today's obituary column.

Coin Machine Looted

A coin-operated machine at J. Newberry Co., Nidringor road and Edison avenue, was pried open and from \$40 to \$50 in coins taken, according to a report to police Monday.

Children are Planning Benefit Carnival

A neighborhood carnival, with the proceeds to go to the Muscular Dystrophy Association of America, will be held on Saturday, Aug. 1, in the backyard of the Fred Laster residence at 623 Barkley avenue. Paula Laster, a daughter of Mr. and Mrs. Fred Laster, will serve as ringmaster, assisted by Freda, Lonnie and Sandy Laster.

The carnival will begin at noon and will feature games including milk bottle drop, bobbing for apples, candy walk, rag toss and others. The children formed their plans for the project after watching "Mr. Patches" on television.

Johnson Rd. Project Bid Call Planned Aug. 3

State-approved plans for improvement of the remainder of Johnson road from Franklin avenue to Pontoon road should be ready for bid call by Aug. 3, Granite City council members were informed Monday night.

City Engineer Kenneth Kieberger, who said he received the information from the state highway department, was called upon to have reports ready by next week on other street projects planned with motor fuel tax funds.

Alderman Nonn, chairman of the Street committee, asked City Atty. Leon Scroggins to take immediate steps to arrange the long-awaited hearing before the Illinois Commerce Commission on "the deplorable condition of local railroad crossings." Nonn added that he had damaged his car on a crossing "just the other day, and it cost me \$25."

Future Projects
He again asked council members to consider improvements for Rock road and Niedringhaus avenue as main routes through Granite City off new Federal Aid Route 151 that now ends at the Army Depot main gate.

"It's going to be a long time before the highway will be open to Venice, and both those streets are breaking down," Nonn stated. No action was taken by the council.

During the Street committee report, Alderman Dawes pressed for completion of the Waterman avenue MFT project as quickly as possible by the contractor, G. H. Sternberg Co., and Alderman Green requested Atty. Scroggins to report next week on his progress with a proposed no-jumping ordinance within the city limits. Scroggins said he was studying state regulations.

An amendment to the ordinance which prohibits vehicles from following the city insect fogging equipment was proposed.

posed by Alderman Nonn, who said pedestrians and bicyclists should be included, as well as motorists. "The main purpose of the law is to prevent youngsters from following the machines in the spray fog and to make their parents responsible," Nonn added. The amendment is to be prepared by Scroggins.

Stop Signs Proposed
The city attorney also is to prepare an ordinance to place stop signs on 21st street at Washington avenue and a resolution to install a yield sign on Riviera drive at Clark avenue. A contract was awarded Gene's Auto Body Shop on McCambridge avenue to repair bodies on 12 city trucks at a cost of \$850. "Then the trucks will be ready for painting and upgrading to present a better appearance," the Street chairman said.

Bids for gasoline for city vehicles, subject to state taxes, were opened and referred to the Street committee for recommendation. The bidders were Standard Oil Co., 18 cents a gallon for premium gasoline and 14 cents for regular, 15.2 cents a gallon and 14.2 cents on two grades of fuel oil and 16.7 cents per gallon for kerosene; Gulf Oil Co., 15.15 cents and 13.65 cents on gasoline, 14.25 cents and 12.50 cents for fuel oil and 14.25 cents for kerosene; and DIX Co., 15.50 cents and 13.45 cents for gasoline, 13.57 cents and 12.83 cents for fuel oil and 14 cents for kerosene.

Alderman Poulos called for a resumption of night-time street sweeping with the posting of no-parking signs. Street Supt. Warfield said the system tried several years ago proved unsuccessful, and added that the city's new sweeper has not yet been delivered. Warfield said he plans to step up sweeping operations when the new machine arrives.

Sister Bernardina Finishes Residency

Sister Bernardina has successfully completed her year of administrative residency at St. Elizabeth Hospital. The year is a requirement to receive a master's degree in hospital administration from St. Louis University.

Sister Bernardina will go back to her native country of India, where she will be associated with one of the hospitals operated by the Ursuline Sisters in Kerala, India.

Preston in Doctoral Degree Study Program

Ray Page, Illinois superintendent of public instruction, announced this week that eight Illinois vocational education educators, including John Preston of Granite City, have been selected to participate in a national vocational education doctoral program. The program will begin this summer and continue for a maximum of three years.

Page, executive officer of the Division of Vocational and Technical Education, Board of Vocational Education and Rehabilitation, said the educators represent eight of 160 persons selected from the 50 states and from U. S. territories who will participate in the project.

Universities cooperating in the program include the University of Illinois, U. of Georgia, U. of North Carolina, Ohio State U., Rutgers U., Colorado State U., Oklahoma State U., Oregon State U., U. of California at Los Angeles and the U. of Minnesota.

Preston, former regional director of the Illinois Division of Vocational and Technical Education, will attend the University of Georgia. He is a former local manager of the East St. Louis & Interurban Water Co.

Continued Link Between SIU-SW, East St. Louis

Trustees of Southern Illinois University responded favorably when East St. Louis residents requested that the university recommit itself to furthering SIU programs in that community.

Meeting at Sunset Hills Holiday Inn, July 17, the SIU board adopted a resolution to expedite planning of appropriate programs to assist the East St. Louis area.

The action was taken after trustees heard a presentation by Forrest Marsden, a division manager of the Union Electric Co. and chairman of the East St. Louis Citizens Advisory Committee.

Marsden and several citizens appeared at the board meeting and urged the trustees to endorse "continued SIU interest in the problems of East St. Louis."

The committee also advocated establishment of a central location for all SIU activities in East St. Louis; asked that the board name a director to coordinate the overall program; and sought construction of a permanent facility for university programs, designed to meet specific educational needs of the community.

Views of Chancellor
The group's requests were backed by SIU-SW Chancellor John S. Rendleman, who said, "I have observed that the Edwardsville campus does not meet all of East St. Louis' needs. We cannot adequately discharge our responsibility to

PROJECT HEAD START classes in the Quad-City area this summer include this group at Venice grade school. There are 135 Granite City school district children in Head Start this year, forming nine classes at six locations, and the Madison and Venice school systems are serving a like number in their Head Start programs this summer at the Harris, Blair and Venice grade schools. Included are those whose families meet requirements outlined by the U. S. Office of Economic Opportunity.

If you need the things you keep in your basement— you need a dehumidifier

Summer dampness can ruin anything you keep in your basement. Tools and appliances rust. Mildew attacks luggage, blankets and books. Dripping water pipes cause ceiling and floor tiles to warp.

Why not dry up basement dampness with a portable dehumidifier? It will soak gallons of damaging moisture from basement air. A dehumidifier gives you extra space for safe, dry basement storage. And it adds comfort, gets rid of that soggy odor.

Home Rule Powers for Cities Are Studied

Interest is developing in all local municipalities in the Local Government Committee's report to the full Illinois Constitutional Convention recommending changes in the Local Government Article.

The proposal calls for automatic home rule powers for municipalities with a population of 20,000 persons or more, with optional powers available to all cities and villages under 20,000 population via local referendum.

Cities which decide to elect a chief executive officer will be able to exercise the same home rule as municipalities.

Board Terms

The home rule powers are expressed in the board of directors, and include the power to pass any ordinance regulating public health, safety, welfare and morals; the power to license any local activity for purpose of regulation; the power to tax (except an income tax) and the power to incur debt.

Certain revenue-raising powers of home rule units would be specifically limited by the revised Constitution. No home rule unit could pass its own income payroll earnings tax without authorization from the legislature.

No home rule unit could license an occupation simply to raise revenue; there must be a valid regulatory purpose incident to a local licensing act.

Extra Powers

Home rule powers are additional powers beyond the present range of powers granted to municipalities and counties by the legislature. Local municipalities and counties would no longer have only the powers expressly granted to them by the state.

In other states, a major difficulty in the home rule concept has been the lack of clear distinction between the exercise of home rule powers and the right of the state as the sovereign. Much litigation has developed in an effort to differentiate between "local powers" and "state powers."

The proposed article attempts to resolve this potential conflict in a more sophisticated way than any other state constitution.

Preemption System

The proposal sets forth a "preemption" system which is unique. It is designed to minimize this area of conflict.

It provides that the legislature can deny a local power, including the power to tax (except a tax based on income which must be specifically authorized) only with a three-fifths vote of each house.

It provides, however, that the legislature can exercise a governmental power by passing a general law, as at present, with a majority vote of each house.

The preemption system is the crux of the home rule proposal. It protects home rule powers from political invasion by the legislature and yet preserves state sovereignty in areas where general laws or pre-statewide laws are necessary.

A new formula is proposed

which would permit home rule municipalities to make local improvements by the issuance of bonds, without limitations by the legislature. This debt capacity would be 3% of assessed valuation for Chicago (a ceiling of about \$300,000,000), 5% for cities over 100,000 population, and 1% for smaller home rule municipalities.

In areas other than home rule, the report recommends:

1. Devices which will lead to the consolidation of local units of government. Illinois has more than 6,500 such units now, much more than any other state.

2. Omission of certain required constitutional county offices (coroner, recorder of deeds, circuit clerk), and elimination of the ban on successive terms for sheriffs and treasurers.

Freedom and flexibility is given to all counties by referendum to determine what officers they will elect or appoint, including a county manager if desired.

3. Greater freedom and flexibility is provided in the structure of county boards.

For example, the Cook county board may increase its number to more than 10, to comply with "one-man, one-vote" requirements. No change in the two districts in Cook county (city of Chicago, suburbia) can take place, however, without a referendum approval in each district.

The 17 three-commissioner counties may, by referendum,

increase the number of their governing boards to up to single member districts. The Constitution will not conflict with the statutory requirement imposed upon the 34 downstate counties to create equal-population districts by July 1, 1971.

4. The "fee system" would be abolished. All local officers would be compensated by salaries, not by fees.

5. Townships would be left alone, except that the Constitution would provide that any township could be consolidated or dissolved upon referendum approval within the township.

All the townships within a county could be abolished only by referendum approval within the area served by township government.

6. A General Structures Commission would be created, with the authority to control the proliferation of "special districts" and with authority to present consolidation plans for local referendum approval.

This new mechanism is the primary "clearing device" which the committee has introduced into the structure of local governments in Illinois.

Without it, no reasonable likelihood of any systematic restructuring is regarded as foreseeable.

7. The article provides a broad, self-executing section on governmental cooperation. This opportunity for cooperative undertakings will be an important factor, the committee believes, in strengthening local government in Illinois.

Nameoki Ends Tax Collections

Nameoki township has ended its yearly tax collection with total payments of \$1,310,054, or 74% of the township's tax bill of \$1,766,596, according to Edgar Patrick, Nameoki township collector.

Patrick said some payments received by mail are to be added to the total collection. A breakdown of personal property and real estate tax collections was not immediately available.

At the same time, E. R. "Pat" Rich, Nameoki township treasurer, said tax payments at Granite City township taxes at his city hall office totals \$1,111,967. Of this amount \$213,189, was in personal tax and \$898,667 in real estate tax, Rich said.

Local collections in Granite City will continue through Friday, Aug. 26.

Frank Reidelberger said this week that collections at his office in Madison total \$340,000. Reidelberger will continue collections through July 31.

Granite City taxpayers are charged with aggregate payment of \$9,828,714. The total tax bill for Venetia township taxpayers is \$2,117,889.

Nurses Needed at VA Hospital Built at Hines

An urgent appeal for both registered and licensed practical nurses was made today by Dr. Lee H. Schlesinger, director of the Veterans Administration hospital at Hines, Ill., which will open a new \$22 million replacement hospital on Sept. 8.

Dr. Schlesinger said the hospital needs at least 40 more registered nurses and 20 licensed practical nurses.

Beginning salaries for professional nurses is \$710 to \$852 a month, depending on qualifications, plus uniform allowance; and licensed practical nurses salaries for beginners range from \$434 to \$608 a month. Premium pay is made for evenings, nights and Sundays.

Hines VA hospital is located in a suburb about 15 miles from Chicago and is one of the largest general medical and surgical hospitals in the VA system of 168 hospitals. Formal dedication of the new 15-story structure is scheduled for October.

Dr. Schlesinger said the new hospital is equipped with nurses' stations and automated systems for patient care, efficient delivery of all medical supplies.

Nurses who are interested in employment may contact the chief of personnel at Hines VA Hospital, Hines, Ill. 60411.

Repertory Players To Perform at 'Barn'

The Midland Repertory Players of the Kaye Shanahan Singers will present Mozart's Magic Flute, the second production in their Summer Festival of Opera, on Saturday at 8:15 p.m., at the "Barn," located five miles northwest of Greenfield, Ill.

The 100-year-old barn has been restored to original splendor with scenery and theater lighting. The audience is required to take lawn chairs for seating on a grassy slope in a scenic rural setting.

Members of the cast include Sam Varble of Alton, who will appear as the princess and Lester Long, Doug, as the prince, George Shanahan, Alton, will sing Sarastro, Bobby Dale, Alton, will be Monostatos and Vivienne Armstrong, Springfield, will be heard as Queen of the Night.

Caravans will leave from Alton, and from Old Jerseyville road at Grafton Junction, Routes 109-100, at 6:30 p.m. on Saturday.

2nd Local GI Home From Soc Trang Base

The second of four local servicemen who were serving together in mid-April at a small base in Vietnam has arrived home and received his discharge from the armed forces.

Army Sgt. Robert C. Douglas, 21, the brother of Mrs. Ellen Robinson, 2724 West 26th street, concluded his second Vietnam tour last week. Before leaving the Soc Trang field, located in the Mekong Delta region, the local soldier was presented his fourth award of the Army Commendation Medal.

Still on duty among the 750 service personnel at Soc Trang are Chief Warrant Officer Kurt Weiser, 21, and Army Private first-class Robert Tindall, 20, both of Granite City.

The first returnee among the local quartet was Air Force 1st Lt. Wilkerson, 21, who is assigned to a base in California.

Combat Heroism In Vietnam 18 Months

Sgt. Douglas served in Vietnam a total of 18 months. He spent last Christmas home on leave and returned to South Vietnam in January. During his second tour, he was assigned as a security policeman of the same decoration in combat, during which time he was wounded.

The local serviceman earned his first Army Commendation Medal on April 20, 1969, while a forward observer with a mechanized squad on ambush patrol west of An Loc.

GI in Vietnam Calls On First Anniversary

A radio-telephone call received here from Hue, the ancient capital of South Vietnam, marked the first wedding anniversary for a young local couple.

The surprise call came from Army Specialist 4th Class J. L. Smith, currently serving with the 368th Engineer Battalion near Hue, to his bride of one year, the former Miss Jolene Hackney, who resides in Granite City. He is a son of Mr. and Mrs. Clifton Smith, 3229 Edgewood drive.

Spec. Smith also was wished a happy birthday by his wife, who reminded the soldier that his 22nd birthday was Sunday. The couple has an infant son, Eric Lee.

"Most of the time we talked about how things were going here and, of course, about the home front," Mrs. Smith said. "He didn't say too much about himself. But it was great to talk with him after five months."

Spec. Smith and his wife presently are making plans to meet in Hawaii when the serviceman receives a furlough in October.

He entered the service last July 25 and was assigned to Vietnam in February. He previously was employed at the Blast Furnace Division of Granite City Steel Co.

CWO Weiser's parents are Mrs. and Mr. Lincoln Weiser, 116 Springfield avenue, while Pfc. Tindall is a son of Mr. and Mrs. Virgil Tindall, 4110 Kirkpatrick Homes, and husband of

the former Miss Shirley Wadlow of Granite City.

Sgt. Wilkerson is a son of Mr. and Mrs. Leslie Wilkerson, 4020 Park lane.

GC Housing Funds Go to Tax Agencies

Distribution of the Granite City Housing Authority's \$22,817 payment in lieu of 1969 taxes to local area taxing agencies was approved Monday night by Granite City council members.

The payment is made to the city each year from the rent income at Kirkpatrick Homes and the Anchorage, and each area taxing agency is entitled to a share.

Of the total, the largest amount, \$13,891 or 60.85%, went to the Granite City school district; while the smallest amount \$604 or 2.65%, went to Granite City township.

Other taxing agencies receiving a share were the city of Granite City, \$4556, 19.05%; the East Side Levee & Sanitary District, \$1677, 7.35%; Madison county, \$1481, 6.49%; and the Granite City park district, \$607, 3.54%.

DELANEY, BONNIE AND FRIENDS. The widely known musical group, credited with achieving "the first real bridge between heavy rock and country blues music," will appear at the Mississippi River Festival at SIU-SW next Wednesday evening, July 29.

Granite City's Bonnie -- With Delaney and Their Friends -- to Entertain Here July 29

Granite Cityans are expected to be numerous in the audience at the Mississippi River Festival at SIU-SW on Wednesday night, July 29, when a local woman now nationally famous will entertain.

Delaney and Bonnie have been called "the first real bridge between heavy rock and honest-to-goodness, knee-slapping, foot-stomping country blues."

The husband-wife team and Friends will appear at the River Festival at 8:30 p.m. July 29. Delaney and Bonnie Bramlett didn't achieve success overnight. It came, they will tell you, "from hard work—shuffling about in small clubs for enough to scrape together dinner— and from developing an ear for knowing what was right."

Former Bonnie O'Farrell Delaney is a native of rural Mississippi. The former Bonnie O'Farrell is from Granite City. Delaney, with his heavy rural church background, has been playing guitar since he was 10 and struck out for the Chicago nightclubs when he was 16. After a hitch with the Navy, he went to Los Angeles, working in

clubs for as little as six dollars a week.

Then came Shindig, the popular television program of 1964-65, and Delaney found himself a member of the Shindigs on the show.

It was after this that he and Bonnie met and put together a group called "The Original Delaney and Bonnie and Friends."

Met on West Coast After singing in church all her life, Bonnie branched out into local nightclubs when she was 15. From there she went to California. In Los Angeles, she met Delaney and seven days later they were married.

Their music has been defined as basically uncomplicated. "It's beauty lies in its simplicity, in the ability of musicians to take the most gentle tune and wind it up into something special."

Delaney and Bonnie made their first record for Elektra and they are the first white group to be signed by Stax Records.

They performed in Europe with guitarist Eric Clapton, who is credited with giving the act "a grand musical jolt." Clapton

has been called a catalyst for the group.

"But," as one critic put it, "even a catalyst doesn't work if the basic components aren't there."

A special attraction with Delaney and Bonnie will be Albert King, blues guitarist. Albert Goldman, writing in the New York Times, has called King "the greatest black musician of the decade."

Born in Mississippi, the son of an itinerant preacher who left the family when Albert was five, King was reared on his mother's farm at Forest City, Ark., where he taught himself to play.

Not until he was 33 years old did King turn to music as a way of life. He had driven a bulldozer on the levees and been a mechanic until that time.

His first string instrument was a wire unwound from the neck of a whisky broom, secured at one end to a peg in the ground, at the other to a nail in the wall, and turned with a turnbuckle. Twanging that wire, he developed the marrow-penetrating sound that is now described as "psychedelic."

Services Held Wednesday For Mrs. Munstedt

Funeral services were conducted here at 10 a.m. Wednesday for Mrs. Nettie Munstedt, 89, formerly of 2834 Washington avenue, who died at 4:30 p.m. Sunday at St. Joseph Hospital in Highland. Interment was in Harvell Cemetery near Litchfield, Ill.

Survivors included a niece, Miss Nettie Dudenhofer of Granite City and two nephews, John Dudenhofer of St. Louis and William Dudenhofer of Indiana.

Brief Town Session

In a brief, two-minute town board session, Granite City council members approved disbursements totaling \$8429 Monday night. Of the total, \$3679 was payable from the town fund and \$4750 from the relief fund.

Summer Youth Work Program Outlined

Pete Carich, counselor for Co-ordinated Youth and the Neighborhood Youth Corps, spoke on "The Mayor's Summer Youth Employment Program" at the Granite City Rotary Club meeting Tuesday noon.

Carich listed the opportunities for young people to find jobs, stating the program has dropped the crime rate by 20% in this area. He introduced two young people now employed for the summer and showed slides of the youths at work and depicting types of jobs available in the Quad-City area.

John Polson, president, conducted the business meeting attended by 40 members. He announced next week's meeting

New Post at GC Steel For Robert Edmonds

Robert M. Edmonds has been appointed to the new position of director of information services for Granite City Steel Co., Lyle F. Gulley, president, announced today.

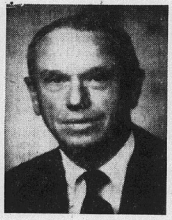

The company's Systems and EDP departments will report directly to Edmonds, who will be responsible for coordinating the design and installation of all systems and the operation of both process control and data processing computers.

Edmonds has been director of scheduling systems at Granite City Steel.

He joined the company in 1944 to set up an industrial engineering department and served as chief industrial engineer for many years.

Edmonds is a member of the American Institute of Industrial Engineers, a director of the Chamber of Commerce of the Tri-Cities, a member of the Public Affairs Committee of the Manufacturers Association of the Tri-Cities, and a member and former president of the Lay Advisory Board of St. Elizabeth Hospital.

He is also a former member and secretary of the Graduate City board of education. A 1930 graduate of Miami University, Oxford, O., Edmonds is married, has two children, and lives at 2719 Benton street.
